

A romantic couple is seen from behind, walking along a sandy beach. The man, on the left, wears a light blue short-sleeved shirt and white shorts. The woman, on the right, wears a long, flowing white dress. They are holding hands and walking towards the turquoise ocean. In the distance, a range of blue mountains is visible under a bright blue sky with scattered white clouds. The entire scene is framed by a thin, dark, hand-drawn geometric border. The overall mood is peaceful and romantic.

Face in the Window Cheryl Knoll, 2021-11-12 The year 2020 was not good for our country I feel there were a lot of people just like me We were faces in our windows looking out wondering what in the world is going on We have some evil giants trying to stomp us down and they are trying to turn our country into something we cannot accept God is love but He is not just soft mushy quiet love God has a temper and He has displayed it in His Word The scolding poems the face in the window poems came to me in a basically complete form To me they were a gift I barely changed a word or corrected any of them It is okay for us to use righteous indignation to fight what is wrong We are not doormats for someone to wipe their feet on If someone is trying to walk all over you pull yourself out from underneath them

and knock them on their backsides God uses tough love for correction and teaching God will show His wrath when He is angered He displays His righteous indignation He offers the greatest love imaginable He offers mercy and grace Don't forget He has a sense of humor God has a wide range of emotions and so do we God loves America God's love is alive God loves to hear from us and He is saying Where are you I love to write poems about God's love for us and my love for Him Now it's 2021 Hmm something is going to happen
