

A photograph of a dirt road winding through a forest. The trees on either side have vibrant autumn foliage in shades of orange, yellow, and red. The road leads towards a bright light at the end of the path, creating a strong sense of perspective. The overall mood is romantic and serene.

Love conquers all; let
us surrender to Love.

Dr. Russell Clayton

Love Is Surrender:

The Philosophy of Sri Chinmoy Kusumita P. Pedersen, 2021-06-28 This is the first book length study of the thought of Sri Chinmoy 1931 2007 who became well known during his lifetime as the exponent of a dynamic spirituality of integral transformation which he set forth in an extensive body of writings in both prose and poetry mostly in English but also in his native Bengali He held that all fields of human endeavor can be venues of spiritual transformation when founded in aspiration and contemplative practice He is noted not only as a spiritual teacher but also as an advocate of peace a composer and musician an artist and a sportsman who created innovative programs promoting self transcendence and understanding between people of all cultures and walks of life This study of Sri Chinmoy s philosophy refers to these diverse activities especially in the biographical first chapter but is mainly based on his written works The book s aim is to give to the reader a straightforward and unembroidered account of Sri Chinmoy s philosophy It makes every attempt to allow Sri Chinmoy to speak for himself in his own words and thus provides ample quotation and draws on his poetic works as much as on his other writings

Die to Love Unmani Hyde, 2011-06-16 This is book is for those who have been genuinely searching and longing for awakening or the truth Die to Love directly points the reader to the end of the spiritual search once and for all I am not trying to help you If you read this book I will simply destroy you And who am I I am you I am Life itself Die to Love explores the desperate longing for love and surrender that so many people feel But are we willing to lose everything that is familiar and safe in order to know that love that we long for Are we willing to die for love This is the death not of the body but of the identity called me Unmani looks at what it is to fall in love and how in moments of intimacy there is no separation Two merge and become one Two separate individuals know that they can never be separate There are also chapters on relationships and the madness of love as well as unconditional and conditional love and what compassion really is

Love Is Craig R Durrant, 2019-11-17 What is love Craig thought that he knew what it was until his

life fell apart and his dreams shattered along with all that he held close to his heart burnt in the fires of divorce and broken hearts He thought it was giving up our dreams in order to please others and to do whatever it takes to make them happy but that isn't love Everything that he thought was love failed over and over and felt more like neediness and desperation instead of love Believing that his only source of love was from others he had given away his dreams and his power which left him feeling broken and needy Love is a heart and soul learning how to love and dream again with increased openness and greater depth Love is many things but it is never needy or broken In his journey to love again the answers came It exposes our inner song as a gift to those we love and to the world This is a gift to the world It is Craig's inner song of loving again with the transparency and nakedness of love It is remembering and learning that love is Read on and see if it speaks to your soul like it has for so many others Love is *Love and Friendship Across Cultures* Soraj Hongladarom, Jeremiah Joven

Joaquin, 2021-01-10 This collection brings together different philosophical points of view discussing two important aspects of human life namely love and friendship within the broad context of comparative philosophy These points of view differ in terms of their cultural orientations East or West ancient or modern philosophical methodologies analytical historical experimental or phenomenological broadly construed and motivation explanatory revisionary or argumentative The volume is a comparative treatment of how diverse philosophical cultures view love and friendship such as how Aristotle and Confucius views on friendship are similar and different how the ancient Greeks and the Buddhists view friendship and happiness and how posthumous love is possible With contributions from a diverse set of scholars this book presents the emerging views of Southeast Asian philosophers compared with those of philosophers from other regions including Europe and North America The volume thus provides a multi-faceted way of understanding love and friendship across cultures and will be relevant to scholars interested in philosophy the history of ideas Asian Studies and religious studies *Subordinated Ethics* Caitlin

Smith Gilson, 2020-08-21 With Dostoyevsky's *Idiot* and Aquinas' *Dumb Ox* as guides this book seeks to recover the elemental mystery of the natural law a law revealed only in wonder If ethics is to guide us along the way it must recover its subordination description must precede prescription If ethics is to invite us along the way it cannot lead either as politburo or even as public orthodoxy It cannot be smugly symbolic but must be by way of signage of directionality of the open realization that ethical meaning is en route pointing the way because it is within the way as only sign not symbol can point to the sacramental terminus The courtesies of dogma and tradition are the road signs and guideposts along the longior via not themselves the termini We seek the dialogic heart of the natural law through two seemingly contradictory voices and approaches St Thomas Aquinas and his famous five ways and Fyodor Dostoyevsky's holy idiot Prince Myshkin It is precisely the apparent miscellany of these selected voices that provide us with a connatural invitation into the natural law as subordinated as descriptive guide not as prescriptive leader *Sacred Companions* David G. Benner, 2009-08-20 We need companions on our spiritual journey In this inviting guide David G Benner introduces readers to the riches of spiritual

friendship and direction explaining what they are and how they are practiced Through prayerful guided attunement to God's activity sacred companions provide care for the soul and Benner models the kind of traveling companion who can move us toward deeper intimacy with God
