Love Notes from God for Busy Moms Helen M. Young, 2003 True stories that touch the heart send your spirit soaring
Cover **Love Notes for Mom** Roger Howerton, 2002-03-01 Stirring stories of the devotion of mothers and its lasting effects The last page is lined for you to write your own personal note to Mom Stories exemplify the heart felt gratitude of children for mothers For special times in Mom s life she might get a quick note of thanks Or notes and letters may come at an unexpected moment from those who love her the most Those priceless thoughts are most precious when they come from a child who just wants to let Mom know that she is loved The thought expressed might be a memory of a word of wisdom at a critical time remembering a fun filled afternoon at the beach or sharing the birth of a grandchild This love note was written especially for the mom you treasure Make her feel extra special on a favorite holiday or better yet any day of the year Because the pay for the hard work of being a mother is the love that she gets in return Melt her heart any time of the year

Letters to and from a Christian Mother and More Silas Dobbs McCaslin, 2011-10-10 Ethics morals and society in general have been spiraling downward for more than 50 years Life simply was different up through the 1940s and the decade that followed Christian thought today is discredited on the university campus and traditional Christian piety now is viewed by the majority of the public as old fashioned Postmodernism has become entrenched In Christian circles the question often is asked How does the unbeliever cope As believing Christians we know that the Word of God provides all of the answers Perhaps LETTERS TO AND FROM A CHRISTIAN MOTHER AND MORE will be of some assistance to both the believer and the unbeliever who as the parent of a young child or children or of young adult children must advise and counsel that child as they navigate through their religious social and academic decisions Dr Terry L Johnson stated that the letters are remarkable and show clearly what a devout and accomplished woman your mother was They are wise and devotionally rich and may deserve a wider readership From the Preface Dr Johnson continued Their literary quality was outstanding More importantly they were filled with sound shrewd bold Biblical counsel for her boys particularly in the years between the beginning of college and the birth of Si and Suzannes first child Carey I wanted to read more and became convinced that others particularly parents could benefit from hearing the strong counsel of a Christian mother to her beloved sons From the Foreword

Love Notes on His Pillow Linda Gilden,2006 Offering encouragement through real life examples of other couples who have practiced love notes in their marriage this resource provides creative ideas for saying I love you and for expressing delight in one s marriage [A Mom After God's Own Heart Devotional](#) Elizabeth George,2012-02-01 Drawing from her bestselling books more than 6 5 million copies sold and popular Woman After God s Own Heart radio spots and podcasts Elizabeth George shares positive and energizing devotions for moms Moms with children of all ages will delight in Elizabeth s personal experience and understanding of Scripture as they refuel with the power of God s Wordtap into Scripture s wisdom for parentingget a better picture of God s purposes for momstrust Him with their child s safety and futuremake big and little moments count for their familiesfind hope and courage in God s promises These upbeat and to the point offerings give moms daily direction and confidence for the amazing privilege of loving and raising children **Working Mother** ,1987-06 The magazine that helps career moms balance their personal and professional lives *Mother Teresa's General Letters to Her Sisters* Kolodiejchuk MC Brian,2024-06-21 Mother Teresa s General Letters to Her Sisters is a collection of Mother Teresa s circular letters to the members of her religious congregation the Missionaries of Charity Sisters Not intended for those outside her community they were written informally and spontaneously often with little editing It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order Seemingly of little interest except for those to whom they were addressed the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century At the same time and perhaps surprisingly these letters may also prove to be worthwhile reading for a wider audience Something of God s wisdom and love seems to shine through Mother Teresa s guidance and counsels giving the reader light and help even though he or she is not living the same religious life as one of the Sisters Mother Teresa s unpolished statements are at times humble and at times humbling They inspire confidence and encourage generosity Many a time they are humorous but more

often challenging They are sprinkled with serene joy but also permeated with deep pain She delighted in her Sisters accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination In either case her followers seemed to have been drawn into the mystery of her charism endeavoring to keep pace with her Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation Or was it both The letters will reveal the answer Inspiring in their simplicity the letters may well serve as a treasure trove where anyone from a reflective scholar to a caring mother of a family may find satisfaction for their spiritual palate The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs In the context of Mother Teresa's statement that we are created for greater things to love and to be loved these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life They will inspire us to put our love into living action sharing His love with all those we meet and so make our lives something beautiful for God *The Writers Directory*, 2013 Unleashing the Power of Intercessory Prayer Joseph Hollcraft, 2020-09-10 This inspiring book walks you through nine key steps to boosting your intercessory prayer's power and efficacy *Working Mother*, 1987-06 The magazine that helps career moms balance their personal and professional lives **A Confident Mom** Renee Swope, 2022-02-15 Do you long to go to bed at night knowing you've done the best you could with what you have as a mom and made a difference in your child's life even if you can't see it yet It's easy to compare yourself to other moms and set unrealistic expectations that make you doubt you're doing enough You need hope and encouragement to help you find a new place to start on the days you're tempted to quit Sharing vulnerable stories of her own struggles and doubts award-winning author popular speaker and mom of three Renee Swope is a friend cheerleader and mentor who will come alongside to help you find purpose and meaning in the challenges and adventures of motherhood By unpacking powerful truths of grace and love God used to rescue her from discouragement and guilt that buried her in the dirt of defeat Renee fills this book with hope wisdom and practical help every mom needs Let Renee show you simple ways to give your child what they need most through the power of heart-centered parenting that is character-focused and relationship-driven This book will transform not only the way you parent but also the way you see yourself as a mom and as a child of God *Northwestern Christian Advocate*, 1902 Mother Teresa: Come Be My Light Mother Teresa, Brian Kolodiejchuk, 2007-09-04 This historic work reveals the inner spiritual life of one of the most beloved and important religious figures in history Mother Teresa During her lifelong service to the poorest of the poor Mother Teresa became an icon of compassion to people of all religions her extraordinary contributions to the care of the sick the dying and thousands of others nobody else was prepared to look after has been recognized and acclaimed

throughout the world Little is known however about her own spiritual heights or her struggles This collection of her writing and reflections almost all of which have never been made public before sheds light on Mother Teresa s interior life in a way that reveals the depth and intensity of her holiness for the first time Compiled and presented by Fr Brian Kolodiejchuk M C who knew Mother Teresa for twenty years and is the postulator for her cause for sainthood and director of the Mother Teresa Center Mother Teresa brings together letters she wrote to her spiritual advisors over decades A moving chronicle of her spiritual journey including moments indeed years of utter desolation these letters reveal the secrets she shared only with her closest confidants She emerges as a classic mystic whose inner life burned with the fire of charity and whose heart was tested and purified by an intense trial of faith a true dark night of the soul If I ever become a Saint I will surely be one of darkness I will continually be absent from Heaven to light the light of those in darkness on earth Mother Teresa *The Christian Science Journal* ,1898 *Christian Science Sentinel* ,1899 *Death in the Garden of Desire* Richard Geha,2019-10-17 1900 the Gilded Age Stanford White the world s most renowned architect creator of Madison Square Garden falls in love with the exotic Gibson Girl Evelyn Nesbit They become dangerously involved with a demented millionaire Harry Thaw Amid a crowd of merrymaking theater goers atop the splendid Madison Square Garden another drama a tragedy explodes into the first and most gripping crime of the century **More Perfect Illustrations for Every Topic and Occasion** ,2003 This second book in the Perfect Illustrations series contains 300 more anecdotes and illustrations for pastors writers teachers and other Christian communicators on a variety of topics Each entry includes Scripture references cross references to related topics and an anecdote or illustration and its source *How Can I Understand the Bible?* Bill Bright,2016-03-01 The Bible is the greatest treasure you will ever own waiting for you to mine its depths and receive all the direction encouragement and wisdom it holds Most people need a little help though and Bill Bright founder of Campus Crusade for Christ Cru ably fills that role as he uncovers for you the Bible s rich resources for living in today s world In *How Can I Understand the Bible* Dr Bright reveals the reasons for believing the Bible provides insights for understanding its contents offers tips on applying its lessons to your life Included are summaries for each book of the Bible a one year Bible reading plan and help on how to study the Bible for yourself Whether you re new to the faith or a more seasoned follower of Christ *How Can I Understand the Bible* will help you dig deeper into the book God wrote an adventure that may just change your life
