For the Love of Animals James Greenwood,2023-07-06 Growing up in Yorkshire and with farming blood in his genes James Greenwood always knew he would end up as a vet Animals have been part of James life for as long as he can remember from pulling lambs on a hilltop farm as a child and having stick insects crawling out of his school uniform in class to renting a flat behind a zoo in Jersey and finding himself treating a newborn baby elephant as a newly qualified vet Written with his trademark warmth and humour James offers a fascinating insight into the world of veterinary medicine with tales of treating cats and dogs horses pigs and cows as well as delving deep into his relationship with his beloved and much missed one eyed Labrador Oliver However the path to realising his childhood ambition has not always been easy and at times he has questioned whether it truly is the best job in the world Through all of the challenging lows and extraordinary highs it has been the animals themselves that have spurred James on to want to continue vetting and helping him find his calling as a GP vet Warm poignant and full of heart James story is both a beautiful tribute to the role animals play in our lives and a rare glimpse into what it s really like to be a vet and is perfect for fans of Matt Baker The Yorkshire Shepherdess and The Supervet
