Once Yvonne Kohano,2015-04-21 Fortune smiles upon the brave and frowns upon the coward For Geno Altimari the old Latin proverb proved to be true One pivotal night and a denied entreaty changed everything It cost him years of friendship and missed opportunity for a life that might have been his destiny simply because he was afraid Love was never the same Burying his caution under a laid back smile made it easier to hide his regrets When karma offers him a second chance he wants to be the man everyone believes he is His personal apprehension is harder to conquer But Agnes Amendola needs him and her daughter longs for something special to make her life complete something in Geno's power to provide Can he overcome his anxiety over his past mistakes As their teacher said in first grade Altimari and Amendola sound destined to be together Maybe this time fortune will smile upon them The Flynn's Crossing series is contemporary romance set in the northern California foothills suspense driven by small town secrets and complex characters in compelling stories about friendship and love You can enjoy the books out of order without ruining their surprises **Rebuilding Love After Divorce** Brooke

Starcross Manor (Love Heart Lane, Book 4) Christie Barlow,2020-08-14 Another fantastic addition to the Love Heart Lane series It has drama and romance in spades Bella Osborne You won't want to miss the next spellbinding chapter in the Love Heart Lane series where friends are there for you no matter what **The One and Only Law** James Martel,2014-09-19 Walter Benjamin's Critique of Violence widely considered his final word on law proposes that all manifestations of law are false stand ins for divine principles of truth and justice that are no longer available to human beings However he also suggests that we must have law we are held under a divine sanction that does not allow us to escape our responsibilities James R Martel argues that this paradox is resolved by considering that for Benjamin there is only one law that we must obey absolutely the Second Commandment against idolatry What remains of law when its false bases of authority are undermined would be a form of legal and political anarchism quite unlike the current system of law based on consistency and precedent Martel engages with the ideas of key authors including Alain Badiou Immanuel Kant and H L A Hart in order to revisit common contemporary assumptions about law He reveals how when treated in constellation with these authors Benjamin offers a way for human beings to become responsible for their own law thereby avoiding the false appearance of a secular legal practice that remains bound by occult theologies and fetishisms
