Economies of Desire at the Victorian Fin de Siècle Jane Ford, Kim Edwards Keates, Patricia Pulham, 2015-10-14 This volume marks the first sustained study to interrogate how and why issues of sexuality desire and economic processes intersect in the literature and culture of the Victorian fin de siècle At the end of the nineteenth century the move towards new models of economic thought marked the transition from a marketplace centred around the fulfilment of needs to one ministering to anything that might potentially be desired This collection considers how the literature of the period meditates on the interaction between economy and desire doing so with particular reference to the themes of fetishism homoeroticism the literary marketplace social hierarchy and consumer culture Drawing on theoretical and conceptual approaches including queer theory feminist theory and gift theory contributors offer original analyses of work by canonical and lesser known writers including Oscar Wilde A E Housman Baron Corvo Vernon Lee Michael Field and Lucas Malet The collection builds on recent critical developments in fin de siècle literature including major interventions in the areas of Decadence sexuality and gender studies and asks for instance how did late nineteenth century writing schematise the libidinal and somatic dimensions of economic exchange How might we define the relationship between eroticism and the formal economies of literary production performance And what relation exists between advertising consumer culture and dissident sexuality in fin de siècle literary discourses This book marks an important contribution to 19th Century and Victorian literary studies and enhances the field of fin de siècle studies more generally

Critical Survey of Poetry: Holmes Frank Northen Magill, 1992 Vol 8 includes guidelines to poetry explication

Poems Sextus Propertius, 2018-09-27 The Poetry Book Society Autumn

2018 Recommended Translation Asked to name the great Latin love poets today's reader is likely to offer Catullus Ovid Virgil

Horace Propertius a successor of the first and influential peer to the others has not been blessed by posterity Yet at their best his poems match any of the period They are poems of love of desire of insecurity and obsession of struggle too as they resist the Augustan Empire's attempts to turn its love poets into propagandists The result is a highly refined irony a subtlety of tone and humour that is unique Patrick Worsnip's translations bring out Propertius playfulness and his psychological acuity reinstating his poems at the heart of Latin literature's golden age

Small Press Record of Books in Print Len Fulton,1993 *Housman's Poems* John Bayley,1992 Although Housman's three collections of poems the third published posthumously have remained continuously popular they have not received much serious critical attention Bayley makes up for the omission in this thorough and comprehensive reappraisal of the whole oeuvre placing Housman's achievement in the context of the poetry of his own time and of more recent European and American poetry Close analysis and comparison with other poets Hardy Frost Edward Thomas Larkin and Paul Celan prove illuminating in relation to a poet who has usually been considered something of an odd man out and even an anachronism in the modern era Bayley explores and explains the continuing appeal of the poetry to present day readers and the nature of craftsmanship and psychology which lie behind its deceptive simplicities The book is a valuable introduction to Housman's achievement for the specialist and the poetry lover alike

A Shaping Joy Cleanth Brooks,2024-10-31 In *A Shaping Joy* originally published in 1971 Cleanth Brooks writes about modern literature and the criticism that has been developed to deal with it Most of the essays concern poets and novelists of the twentieth century but there are also discussions of nineteenth century American writers such as Mark Twain and Edgar Allen Poe and of traditional English poets such as Wordsworth Milton and Marlowe Among the functions of literature described in the first essay are those of nourishing the imagination and keeping the language alive and the channels of communication open The criticism contained in the essays that follow admirably exemplifies these concerns Whether writing on the world of William Faulkner and the literature of the American South or on subjects more familiar to the British reader Joyce Auden and T S Eliot for example Professor Brooks keeps the methods of communication marvelously unblocked It is criticism of the rarest kind alert imaginative and wholly invigorating This book will be a beneficial read for students and researchers of English literature particularly of literary criticism

Andrew Marvell, Sexual Orientation, and Seventeenth-Century Poetry George Klawitter,2017-09-01 Andrew Marvell *Sexual Orientation and Seventeenth Century Poetry* examines the important Interregnum Restoration poet Andrew Marvell against a background of his contemporary lyric poets His major works from the early elegies to the later political pieces are discussed with a view to unmasking the poet's own sexuality and his reflection of prevailing sexual attitudes Popular poems like the Mower poems and *The Nymph Complaining for the Death of her Fawn* are explicated in depth as well as lesser known poems like *The Unfortunate Lover* and *The Gallery* Marvell often described as a chameleon has teased readers for hundreds of years This new book will help both new readers as well as established Marvellians to understand cryptic sexual meanings and

references in the verses Poems are explicated against current heteronormative theory as well as recent work on homoeroticism autoeroticism and celibacy George Klawitter has devoted much of his recent scholarly life to a study of Marvell's lyric pieces and brings to this new book fresh insights into the suggestive intent of the poet's works **Rider Haggard and the Fiction of Empire** Wendy Roberta Katz, Wendy R. Katz, 2010-02-11 imperial history and politics as well as to readers of Haggard Book Jacket **C.S. Lewis, Poet** Don W. King, 2001 C S Lewis is best known as the creator of the fanciful world of Narnia and writer of literary criticism and Christian apologetics This book examines Lewis's early writings under the pseudonym Clive Hamilton analyzing the influence of his formative poetic aspirations upon his later prose By looking at early diaries and letters and the inclusion of four of Lewis's previously unpublished narrative poems and eleven previously unpublished short poems this text explains the man through his writing **A Bell Curve and Other Poems** David J. Murray, 2013-10 Poet David J Murray divides 118 short poems into seven separate sections each section holds a common theme but includes a different number of poems from the other sections The poems offer photographs of moments in his mental life while the collection as a whole uses the bell curve concept to allow him to stress the unified nature of this poetry collection **Propertius in Love** Sextus Propertius, 2002-06-03 Goethe whose Roman Elegies drew on him recognized in Propertius a romantic sensibility akin to his own Ezra Pound's Homage to Sextus Propertius on the other hand read the poet as a fellow satirist and political dissident Whatever the merits of these and other competing interpretations Propertius has by now certainly come into his own acquiring a whole new generation of readers Indeed in his 1997 play about the scholar poet Housman Tom Stoppard suggests that Propertius is one of the poets who were responsible for the invention of love in the West The occasion of a lively new version by the poet David Slavitt invites a reexamination of Propertius with particular attention to what most recommends him to us today his sophisticated exploration of love and gender relations his difficult we might almost say modernist poetics his strikingly independent politics that are concomitant with an overriding commitment to love and to literature and finally his attempt later in life to reinvent himself and his art from the foreword by Matthew S Santirocco New York University David Slavitt's bold bawdy expansive and sinewy version of Propertius is a sleep stealer a book of wonders that bursts through limitations and the concept of enough Slavitt's continually startling Propertius in Love brings to mind Pasternak's line that the root of beauty is audacity Through the dialectic of eros and mortality and the marriage of poet and translator Latin and English we are hurtled back to the site where the invention of love is reenacted Mark Rudman winner of National Book Critics Circle Award for his poetic trilogy Rider The Millennium Hotel and Provoked in Venice His latest book is The Couple **On Music** Benjamin Britten, 2003 Benjamin Britten was a most reluctant public speaker Yet his contributions were without doubt a major factor in the transformation during his lifetime of the structure of the art music industry This book by bringing together all his published articles unpublished speeches drafts and transcriptions of numerous radio interviews explores the paradox of a reluctant yet influential cultural commentator artist

and humanist Whether talking about his own music about the role of the artist in society about music criticism or wading into a debate on Soviet ideology at the height of the cold war Britten always gave a performance which reinforced the notion of a private man who nonetheless saw the importance of public disclosure
