Messages of Love Remembered Pauli Rose Libsohn, 2019-06-26 This creative work compiled solely of Mitzi and David Libsohn's original verses of poetry and letters of love is an artistic effort by their daughter Pauli Rose Libsohn relating to and involving their lives throughout the years in essence telling their story. Their passion unleashed their creative energy and can be observed in these messages of love composed for all and various occasions written on gorgeous greeting cards purchased with that very love which they believed warranted these their intimate communiques belonging solely to them. Mitzi and David Libsohn spoke the language of love through the written word and thrilled to the sight of a card or letter for they knew they would be the recipient of those precious messages of love. With this original compilation author Pauli Rose Libsohn has brought insight into how generations before spoke in this uniquely non-verbal style of passion exchanging words in beautiful penmanship putting it all down on gorgeous cards and paper. The art of love's expression is practically non-existent in today's world. Lovers of years gone by have been lost to the ages but with this discovered work Pauli is able to show the true meaning of Love's written word.

What Love Remembered Argha Das, 2025-10-08 *You Were Always Enough* is a hauntingly beautiful tale of forbidden love, destiny and rebellion against tradition. Set along the banks of the Chenab, this novel follows Raahi, a dreamer who refuses to be caged by expectations, and Noor, a fierce young woman born to defy the rules of her world. Their paths cross in whispers, glances and unspoken promises, weaving a love story that is both tender and tragic. Every chapter is steeped in poetry where silence speaks louder than words, rivers carry memories and love dares to bloom even in the dark. At its heart, this is not just the story of Raahi and Noor; it is the story of every soul that ever waited by a river, hoping someone would hear their silent song. A lyrical reimagining of eternal love, *You Were Always Enough* is a book to be felt as much as it is to be read, aching, defiant, unforgettable.

Love Remembered in Rome Shanna Delaney, 2019-11-06 She left him years ago. Can the eternal city help them believe in second chances? Holly has only rebelled twice in her life. Getting a degree in history instead of nursing and dating Luca, the Italian American who swept her off her feet sophomore year of college. Neither rebellion lasted long. Now seven years later, her husband has died, shattering her perfect life and waking her up to the reality of how she has always been controlled, first by her mother, then by her husband. Desperate to finally break free, she searches for joy in the one place she'd given up on: ever going to Rome. Luca is too busy managing a luxury hotel in Rome to date. When the girl who broke his heart seven years ago shows up as a guest, there's nothing he can do except make sure she has an enjoyable stay without letting her anywhere near his heart. If there's one thing Holly knows from her history degree, it's that learning from the past is the only way into a brighter future. But that means finding the courage to stand up to her mother and convincing Luca to trust her one more time. If they can get over their past, could they find their future?

Carnley,2019-06-24 In the companion volume to this The Resurrection in Retrospect Peter Carnley focuses on the

inadequacies for faith in Jesus Christ of an approach to his resurrection purely as an event of past historical time The Reconstruction of Resurrection Belief articulates an alternative understanding of resurrection faith as essentially a response of trust based upon a knowledge by acquaintance with the living presence of Christ today This book seeks to articulate an understanding of the nature of resurrection faith in the language of today with as much logical coherence as possible in the hope that it may have some traction in the increasingly secular world of contemporary scientific materialism It faces the key challenge of seeking to explain how the claim that the animating Spirit of the Christian community that Saint Paul spoke of as the Spirit of life in Christ Jesus Rom 8 2 may be justifiably identified in faith today as the living presence of Jesus of Nazareth
