Love Scents:

Love Scents Michelle Kodis, David T. Moran, Deborah Houy, 1998 We often talk about possessing a sixth sense an inexplicable intuition about certain people or situations that later proves to be correct What if new evidence showed that the sixth sense wasn't so inexplicable after all Pheromones a form of chemical communication have been long known to exist in the animal kingdom and are one of the strongest forces guiding behavior Only recently has science discovered the importance of human pheromones silent messengers providing unconscious clues about the people we come in contact with from information about our heredity and temperament to our sexual availability Now a team of leading pheromone researchers and scientific journalists reveal the primal secrets of our sixth sense how and why it evolved its effect on our daily lives and its possible uses in altering mood and behavior This entertaining book will help you understand your own senses your reactions to everyday situations and how to harness the power of this sense to fulfill your total potential

Scents & Sensibility Catherine Maxwell, 2017 Explores Victorian literature through scent and perfume presenting an extensive range of well known and unfamiliar texts in intriguing and imaginative new ways that make us re think literature's relation with the senses A selection of poems essays and fiction exploring these texts with reference to both the little known cultural history of perfume use and the appreciation of natural fragrance in Victorian Britain It shows how scent and perfume are used to convey not merely moods and atmospheres but the nuances of the aesthete or decadent's carefully cultivated identity personality or sensibility

Enchantments Edain McCoy, 2001 Since before recorded time women have performed spells using perfumes hair brushes mirrors lotions masks and face coloring These spells not only sought love but conferred protection purified the spirit opened the psychic senses and prepared the woman for sacred ritual *Enchantments* shows you how to reclaim the conviction that beauty already exists in each of us as daughters of the Goddess Now you can witness this magical transformation in yourself as you make your own fertility soap use a hair braid to attract a lover or enact a glamour spell to draw the eyes of everyone in the room

The Illustrated Guide to Extended Massive Orgasm Steve Bodansky, Vera Bodansky, 2013-03-15 In this companion to their best selling book *Extended Massive Orgasm* Steve and Vera Bodansky give much more detail about the best hand and body positions for performing and receiving EMO More than 70 photographs and drawings illustrate genital anatomy and optimum positions for manually stimulating a partner And while the first book focused mainly on female sexual pleasure *The Illustrated Guide to Extended Massive Orgasm* covers new ground in the area of male arousal and orgasm The Bodanskys also highlight topics such as unknown erogenous zones the introitus and the hidden cock enhancing sensitivity the relationship between hand position and stroking communication how to ask for what you like and how to talk dirty Written for people of all sexual orientations this book is a playful tool for partners of any age wishing to explore new depths of sexual pleasure Orgasm is no longer just a fleeting moment but the beginning of lasting arousal that goes far beyond the bedroom
