Desire for Love Marina Ragachewskaya, 2012-11-15 Desire for Love The Secret Longings of the Human Heart in D H Lawrence's Works is a collection of essays dedicated to several novels
 novellas short stories and non fiction by D H Lawrence one of the great 20th century English writers With the help of the
 psychoanalytic textual approach Marina Ragachewskaya analyses subtle expressions of the emotional sphere in Lawrence's
 characters and their desire for love which is realised linguistically stylistically and symbolically The discussion of the writer's
 textual subtleties suggests emotional education and intellectual delight The book offers an outline of Lawrence's own
 psychoanalytic theory and how it is implemented in his fiction Specific issues such as love discourse the unnamed eros a
 Jungian quest in search of love Doppelgangers love of power and the power of love sublimation and the language of dance as
 well as love in the time of war pertain to the discovery of unconscious desires and a culture of feeling in Lawrence
 Comparisons with other authors are surprisingly rare in Lawrence studies To fill this gap the volume also contains an essay
 on Lawrence's war stories analysed alongside Virginia Woolf's Mrs Dalloway and Pat Barker's Regeneration This inquiry into
 genuine human feeling will be equally attractive to literature scholars students and general readers

Camorra less is known about the other two organizations particularly their operations in the United States Territory is one of the most important elements in the Mafia because the criminal organization operates its signoria territoriale controlling every illegal activity in its sphere of action This territorial power goes beyond the Italian boundaries reaching the United States of America and other non European countries with the mere aim of developing their drug weapon deals and money laundering businesses Mafia therefore is not a uniquely Italian phenomenon as it might appear but a worldwide phenomenon affecting many societies and economies This unique volume is its interest into a field as yet completely provides new information about the Ndrangheta and Sacra Corona Unita written by an interdisciplinary group of Italian scholars It covers organizational hierarchic and operative aspects that is the role that they have in politics in their own families in business relations in Italy and abroad It also highlights the particular role that Cosa Nostra and Camorra had in their development This work will be of interest to criminology researchers studying organized crime corruption money laundering and trafficking as well as researchers from related fields such as political science economics and international relations

Teaching, Friendship and Humanity Nuraan Davids, Yusef Waghid, 2020-08-27 This book extends liberal understandings in and about democratic citizenship education in relation to university pedagogy more specifically higher teaching and learning The authors argument is in defence of cultivating humanity through higher educational encounters on the basis of virtues that connect with the idea of love Unlike romantic and erotic love the book examines love in relation to educational encounters whereby humans or citizens can engage autonomously deliberately and responsibly yet lovingly The rationale for focussing on the notion of philia love in educational encounters the authors argue is that doing so allows our current understandings of such encounters to be expanded beyond mere talk of reasonable engagements autonomous action deliberative iterations and simple action toward emotive enactments that could enhance human relations in educational encounters *ENDLESS LOVE, ROMANCE , AND INTIMACY* Bukenya Siraje, As a society we are embarrassed by love We treat it as if it were an obscenity We reluctantly admit to it Even saying the word makes us stumble and blush Love is the most important thing in our lives a passion for which we would fight or die and yet we re reluctant to linger over its names Without a supple vocabulary we can t even talk or think about it directly As the title *ENDLESS LOVE ROMANCE AND* intimacy indicates we want to live in a culture where love can flourish We yearn to end the lovelessness that is so pervasive in our society This book tells us how to return to love *ENDLESS LOVE ROMANCE AND* intimacy provides radical new ways to think about the art of loving offering a hopeful joyous vision of love s transformative power it lets us know what we must do to love again Gathering love s wisdom it lets us know what we must do to be touched by love s grace *THERE ARE NOT* many public discussions of love in our culture right now At best popular culture is the one domain in which our longing for love is talked about Movies music magazines and books are the place where we turn to hear our yearnings for love expressed Yet the talk is not the life affirming discourse of the sixties and seventies which urged us to believe All you need is love

Nowadays the most popular messages are those that declare the meaningless of love its irrelevance A glaring example of this cultural shift was the tremendous popularity of Tina Turner's song with the title boldly declaring What's Love Got to Do with it I was saddened and appalled when I interviewed a well known female rapper at least twenty years my junior who when asked about love responded with biting sarcasm Love what's that have never had any love in my life Youth culture today is cynical about love And that cynicism has come from their pervasive feeling that love can not be found Expressing this concern in When All You've ever Wanted isn't Enough Harold Kushner writes I am afraid that we may be raising a generation of young people who will grow up afraid to love afraid to give themselves completely to another person because they will have seen how much it hurts to take the risk of loving and have it not work out I am afraid that they will grow up looking for intimacy without risk for pleasure without significant emotional investment They will be so fearful of the pain of disappointment that they will forgo the possibilities of love and joy Young people are cynical about love Ultimately cynicism is the great mask of the disappointed and betrayed heart When I travel around the nation giving lectures about ending racism and sexism audiences especially young listeners become agitated when I speak about the place of love in any movement for social justice

Dante in Conversation with Contemporary Theorists Blaise Cirelli, 2024-12-09 Dante's Divine Comedy appears on the reading list of almost every university's Humanities Studies department But often it is thought of as a relic from the past What if instead of considering

the Divine Comedy as a historical artifact one engaged the text as a work pertinent to the moment Can we learn anything about our present situation by reading the Divine Comedy Blaise Cirelli brings the Divine Comedy to life by challenging readers to consider how contemporary theorists might question Dante about his work Where would Dante and the theorists agree and where might they disagree And which side might the reader of this text choose This book will both enrich our understanding of Dante s Divine Comedy and challenge us to think afresh about our own beliefs
