Wannamaker, 2015-12-22 This is the first volume to consider the popular literary category of Early Readers books written and designed for children who are just beginning to read independently It argues that Early Readers deserve more scholarly attention and careful thought because they are for many younger readers their first opportunity to engage with a work of literature on their own to feel a sense of mastery over a text and to experience pleasure from the act of reading independently Using interdisciplinary approaches that draw upon and synthesize research being done in education child psychology sociology cultural studies and children's literature the volume visits Early Readers from a variety of angles as teaching tools as cultural artifacts that shape cultural and individual subjectivity as mass produced products sold to a niche market of parents educators and young children and as aesthetic objects works of literature and art with specific conventions Examining the reasons such books are so popular with young readers as well as the reasons that some adults challenge and censor them the volume considers the ways Early Readers contribute to the construction of younger children as readers thinkers consumers and as gendered raced classed subjects It also addresses children's texts that have been translated and

sold around the globe examining them as part of an increasingly transnational children's media culture that may add to or supplant regional ethnic and national children's literatures and cultures While this collection focuses mostly on books written in English and often aimed at children living in the US it is important to acknowledge that these Early Readers are a major US cultural export influencing the reading habits and development of children across the globe

The Challenge of Teaching Gretchen Geng, Pamela Smith, Paul Black, 2016-10-11 This book presents thirty one accounts by final year pre service teachers providing guidance and insights for less advanced teacher education students and illustrating the use of life history and narrative stories as methods for pre service teachers to explore educational issues in classroom practice This life history approach identifies those political economic and social forces that have impinged on the individual at different points in their life and contributed to the process of changing their identities These stories are not written by established specialists in the areas they deal with but instead by novice teachers at the beginning of their paths towards mastering the intricacies of teaching and learning in school settings As such the book provides a mentoring framework and a means of helping pre service teachers share their valuable experiences and insights into aspects such as how to manage practicum requirements It helps establish a supportive relationship among pre service teachers providing them with access to valuable peer experiences In addition it helps pre service teachers make sense of their own practicum experiences and reflect on their own beliefs and professional judgement to develop their approaches and solve problems in their own classroom practice

Oz - A Hitchhiker's Australian Anthology Jonathan Nicholas, 2014-07-28 At the age of 22 Jonathan Nicholas spent a year travelling in Australia He lived for the first few weeks in a sleeping bag underneath a stranger's stairs He ran out of money very quickly and took a job selling paintings in the evenings and spent his days surfing at Bondi Beach He then moved on to a cockroach infested tenement in North Bondi sharing with some rather outgoing girls before escaping north to Queensland This was just the beginning In Brisbane he lived near The Gabba Cricket Ground with a gay New Zealander whose brother was a drug dealer on the nearby Gold Coast He spent the next few months quite detached

from reality as his visa expired and he missed his flight home He packed his rucksack and hitchhiked north a thousand miles to tropical Townsville and then west into central Queensland Jonathan often stood for hours in the searing heat waiting to catch the next lift across the many miles of hot dusty outback From Darwin to Katherine onto Alice Springs and through the red centre of Australia Jonathan successfully hitchhiked across the sun baked wilderness He lived on baked beans straight from a can and spent most days alone Jonathan has now converted his detailed diary from his extraordinary time Down Under into a deeply honest often sad yet sometimes hilarious account The book includes original maps photographs sketches and poetry penned by the author which helps to convey how truly life changing his year in Australia was *Oz A Hitchhiker s Australian Anthology* is a detailed account of Jonathan Nicholas s experiences as he explored the wonders of Australia This brilliantly written book will appeal to readers who have an interest in travelling and those fascinated by Australia s culture and landscape Jonathan Nicholas has been inspired by the writing of Sir Dirk Bogarde *Saving Our Kids* Madonna King, 2023-08-30 The crime of sextortion has reached epidemic proportions fuelled by both sex offenders and organised scammers targeting our most vulnerable online Children are some of the internet s most prolific and most naive users and increasing numbers are finding themselves caught in an evil web of networked manipulators Up to 70 percent of all new sexual exploitation content online is victim produced and much of it follows the same script An adult abuser tricks a child into thinking they are a peer the child produces the content themselves and the abuser then blackmails their victim for money or for more content It s a script well known to Detective Inspector Jon Rouse who for three decades headed up Taskforce Argos the expert arm of Queensland Police dedicated to hunting down online predators and rescuing children from abuse In collaboration with Rouse Madonna King tells the story of their investigations from undercover cases to operations on a global scale exploring what makes a victim and what makes an abuser and distils the work that goes into bringing down perpetrators *Saving Our Kids* highlights the dangers lurking in every child s smartphone web browser and computer game It is the story of the tireless work of saving children from the online manipulation that is stealing their innocence and raises awareness on how we can all protect the children in our lives **New York Magazine** , 1996-07-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Sky Time in Gray's River* Robert Michael Pyle, 2012-09-24 Much the way Donald Hall s *Seasons at Eagle Pond* captured New England *Sky Time in Gray s River* captures the essence of the rural Northwest Although Rober Michael Pyle is a lepidopterist and southwestern Washington is notable for its lack of butterflies something about the village of Gray s River spoke to him on a visit thirty years ago Ever since then he has lived in the village which was one of the first to be established near the mouth of the Columbia River and

which still feels only tenuously connected to the twenty first century Sky Time brings Gray s River to life by compressing those thirty years into twelve chapters following the lives of its people birds butterflies and cats month by month through the seasons In showing how the village has changed his life Pyle illustrates how a special place can change anyone lucky enough to find it and highlights what is being lost in a world of accelerating speed mobility and sameness Above all Sky Time tells us that you dont have to travel far to see something new every day if you know how to look New York Magazine ,1996-07-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Teeth - The Epic Novel With Bite Timothy James Dean,2009-10-25 Vol 1 The South Pacific Trilogy Move over Moby Dick Jaws and Jurassic here comes the Father Teeth is a definite 5 star Timothy may be the next Michael Crichton Teeth ranks among my very favorite books of all time Teeth is a masterpiece of true Samurai spirit Teeth isn t just about a battle between man and Mother Nature It s a love story a thriller a mystery Coach & Motor Body Builder for Australia and New Zealand ,1920 Aussie Rock Anthems - Top 40 Glen Humphries,2024-07-17 Tells the stories of Australia s best known pop and rock songs Aussie Rock Anthems names the top 40 classic Australian songs and tells the stories behind them many unknown From Hunters Collectors Throw Your Arms Around Me to INXS s Don t Change and Redgum s I Was Only 19 author Glen Humphries unearths hidden gems and surprising back stories about the bands It s a celebration of great Australian music that will have you reaching for old vinyl or phone apps to give some of these classics another listen Chances are each song is not what you had assumed *The Daily Film Renter and Moving Picture News* ,1948 **The Gentler Legacy Book Two** Adon Hudson,2025-08-04 It is the end of 1963 and the country is mourning the loss of their president John F Kennedy As the Cold War progresses the rising tide of the Vietnam conflict is becoming a growing fear in the United States but what of the other reaches of the world There are two secret factions residing in Europe fighting in the shadows Formed in the aftermath of World War II one has the intent of world order as the other pledges to protect the world from tyrannical rule Ben Gentler continues his venture with the Verde Van chasing the cult responsible for the past wars in Europe into the jungles of the Congo The world of spies blurs in a twisted tale of good and evil and nothing is ever as it seems *Bands of Time* Alex Graham,2023-04-18 After Beth Stewart s parents got divorce she lived with her father during the summers on a ranch in the high mountain plains of Northern Arizona This was where she met and fell in love with Monty Jarrett They both enrolled in the same university and were happy until her mother encouraged her to date other boys Devastated Monty felt like he could no longer be near her With the war in Vietnam still raging the young cowboy joined the army rather than to wait to be drafted Matt Stryker Beth s illegitimate half brother took over his mother s real estate business in Phoenix Arizona On a trip
