Moving Into Manhood:

Crossing into Manhood: A Men's Studies Curriculum Christopher P. Mason, 2006 Many scholars have documented and decried the crisis in American masculinity There is a preponderance of evidence showing that males suffer from many physical emotional and social ills due to the gender scripts with which they were raised and which continue to govern men's lives Throughout the millennia and across cultures initiation rites of passage have been utilized as an effective means of transitioning young males into manhood Modern culture suffers from a dearth of rites of passage leaving many boys stuck in puerile attitudes and behaviors and unable to make a wholesome transition into mature masculinity Crossing into Manhood is a much needed guide on assisting late adolescent boys transition into manhood it proposes a school based curriculum and rite of passage paradigm to help young men make the difficult passage into manhood Utilizing resources from diverse academic disciplines this book surveys the psychoanalytic the social constructionist and the essentialist perspectives on masculine gender As a result a men's studies curriculum has been formulated one that offers a balanced bio psycho social conceptualization of masculine identity Educators will find the contents of this book helpful in providing the key conceptual information necessary to teach a men's studies course to late adolescent boys This book will provoke further dialogue and work among educators and other adults in this important area Publisher's website

Moving Into Manhood William Waldo Bauer, 1964 **True Identity** John C. Majors, 2017-10-03 Teens Guide to Identity from FamilyLife All teens wrestle with the question Who am I and wonder What makes me special Though these questions linger for life they are most intense in the teen years where confusion awkwardness and a desperate grab for identity reign So how does a young person answer these critical questions Where do young men and women find their significance worth and value True Identity is perfect for parents and youth workers to give to the teenagers 14-16 in their lives to help them in their journey Drawing on experiences and wisdom from a wide array of experts the book provides compassionate answers to help teens discover who they really are emphasizing their identity in Christ above all other ways our culture defines them As the book walks teens through the steps to make their faith their own it highlights healthy independence and God honoring relationships The Passport 2 Identity curriculum launched in April 2016 and True Identity is its trade book companion **Dare to Be a Man** David G.

Making Men in the Age of Sail Graeme J. Milne, 2024-06-15 Myths and stereotypes surrounding seafarers in the Age of Sail persist to this day Sailors were celebrated for their courage strength and skill yet condemned for militancy vice and fecklessness As sail gave way to steam sailing ship mariners became nostalgic symbols of maritime prowess and heritage representing a timeless heroic masculinity in an era when the modernizing industrial world was challenging assumptions about gender class work and society Drawing on British seafaring memoirs from the late nineteenth century *Making Men in the Age of Sail* argues that maritime writing moulded the reading public's image of the merchant seaman Authors chronicled their lives as they grew from boy sailors to trained seafarers telling colourful tales of the men they worked with most never doubted that the sailing ship had made them better men Their testimony reinforced and preserved conservative perspectives on seafaring manhood as Britain's economic and technological priorities continued to evolve in the new steamship age Offering a gender analysis of the image of the seafarer *Making Men in the Age of Sail* brings the history of British sailors into wider debates about modernity and masculinity

The Uncoiling Python Harold

Scheub,2010-08-10 The oral and written traditions of the Africans of South Africa have provided an understanding of their past and the way the past relates to the present These traditions continue to shape the past by the present and vice versa From the time colonial forces first came to the region in 1487 oral and written traditions have been a bulwark against what became 350 years of colonial rule characterized by the racist policies of apartheid The Uncoiling Python South African Storytellers and Resistance is the first in depth study of how Africans used oral traditions as a means of survival against European domination Africans resisted colonial rule from the beginning They participated in open insurrections and other subversive activities in order to withstand the daily humiliations of colonial rule Perhaps the most effective and least apparent expression of subversion was through indigenous storytelling and poetic traditions Harold Scheub has collected the stories and poetry of the Xhosa Zulu Swati and Ndebele peoples to present a fascinating analysis of how the apparently harmless tellers of tales and creators of poetry acted as front line soldiers
