Rural Health FYI ,1998 *Beyond Abuse in the Christian Home* Catherine Clark Kroeger,Nancy Nason-Clark,Barbara Fisher-Townsend,2008-08-15 In January 2004 a newly founded evangelical organization called PASCH was formed The word denotes the Passover or time of new beginnings when God kept people safe in their own homes before leading them into freedom from abuse and oppression Yet the word PASCH also stands for Peace and Safety in the Christian Home PASCH began as a small group of therapists sociologists domestic violence experts clergy biblical scholars survivors and dedicated Christians In essence PASCH was born out of the cries confusion and frustration of the people of God As we encountered many horrifying situations of domestic abuse in Christian homes those of us who seek to address various aspects of the issue concluded that we needed a fellowship of concerted study prayer and action It was the dream of Catherine Clark Kroeger that an edited book might emerge from the 2005 and 2006 PASCH conferences in order that the papers presentations and discussions might be widely available We found that to make that happen we needed to work together that each of us possessed one piece of the puzzle and that by God s grace we could collectively begin to put the pieces together The topic of abuse is ugly which is why so many Christians shy away from discussing it But in this volume we have tried to present an accurate faith based analysis of abuse in the Christian family context We hope that various chapters stimulate discussion sometimes debate and in so doing prompt pastor and people to action We call on you the reader to consider the various ideas and perspectives offered throughout the book Hopefully each chapter will prompt you to consider afresh how you conceptualize violence among families of faith Like you the reader the contributors to our collection come from various faith traditions work in different contexts and see the issue in part based on

their own narrative and training Yet despite our differences and our ongoing debates we are unanimous that violence has no place in the home Every home should be a safe place every home a shelter When abuse occurs in families of faith it is the responsibility of the church to offer compassion and support to victims and to call those who act abusively to accountability and justice Our edited collection includes Dan Allender speaking from the heart about the impact of the fall on relationships between men and women Al Miles reflecting on his pastoral experience of the difficulties and opportunities of speaking out against violence in Christian families Bruce and Karen McAndless Davis offering one couple s story of the long journey toward accountability and dramatic change Julie Owens retelling her own dramatic story of abuse the life imprisonment of her ex partner and what she wished every pastor knew about domestic violence [The Uncaged Project](#) Sallie Culbreth,2006-06 The Uncaged Project is a self help study of practical strategies regarding core spiritual issues of childhood abuse including sexual abuse estrangement from self and God *Sex, Lies, and Rabbis: Breaking a Sacred Trust* Charlotte Rolnick Schwab,2003-07-08 Sex Lies and Rabbis Breaking a Sacred Trust by Charlotte Rolnick Schwab Ph D is a powerful book a combination of memoir and nonfiction about what happens when clergy specifically rabbis are deified It is about the betrayal and the cover up of the betrayal of teen aged girls and women by male rabbis and thereby the betrayal of these rabbis wives families congregations communities denominations and all Judaism Two murders are connected to rabbis sexual abuse One rabbi is awaiting retrial for allegedly hiring a hit man to murder his wife because of his sexual misconduct This author writes about her own frightening shocking experience as the wife of a rabbi perpetrator of sexual abuse of other women his violence toward her and threat to kill her if she told about his nefarious double life The book delineates in one volume the crisis in the rabbinate in congregational Judaism what needs to be done to bring about healing and change gives description of cases of rabbis sexual abuse as told to the author these cases are all composites the victims survivors identities are disguised and as reported in the media including the two murders related to rabbis sexual abuse the alarming extent of this problem outlines policies that synagogues and denominations need to adopt provides definitions of sexual abuse discusses the kinds of personalities of rabbis which can lead to rabbis becoming sexual predators and offers some suggestions for prevention The book offers a Resources List and extensive Bibliography including articles from Jewish and secular newspapers around the country about rabbis sexual abuse The book provides a healing program geared toward Jewish victims survivors or rabbis sexual abuse it can be adapted for victims survivors of abuse by other clergy and of other kinds of abuse including abuse by batterers Women who suffered abuse of any kind will find this book validating and helpful for healing and recovery 12 Steppers will be especially interested in this book The book is helpful to people of all religions who are experiencing the crisis of their religious authorities sexual abuse and covering up of that abuse including Buddhists Catholics and Protestants It is an urgent read for all Jewish people concerned about the safety of their teen aged children and women and about the future of their religious organizations and communities Books have been written about Catholic priests
