Arisnel Mesidor,2017-08-21 *The Faith That Moves Mountains* How to Have It How to Use It and How to Protect It is a Christian nonfiction book consisting of a theological reflection on Mark 11 2025 If you feel like you have a huge and intimidating mountain standing in front of you if you feel like a huge wall prevents you from entering into your promised land if you are currently facing a situation where you feel blocked from realizing your full potential and fulfilling your God given destiny this book is written for you The purpose of the book is to reassure you that God has not forgotten you even if it feels like so at times That you have found yourself in precarious situations at one point or another in your life is not a result of Gods indifference toward you This book reminds you that even before God brought you into this world he made provisions in order for you to be able to deal with such circumstances You must never lose sight of the fact that God loves you and his plan is not for the mountains of life to remain in your way forever without you being able to do something about it In this book I will teach you about the nature of the faith that moves mountains I will try to explain the nature of that faith how to have it how to use it and how to protect it I want you to realize that you dont always have to put up with things that prevent you from moving forward in your life and toward your God given destiny I encourage you to keep this in mind not knowing whether or not something negative is happening to you is part of how God is working in your life You need to pray and make your desire known to God As Gods servant you never need to hide your frustration from him and shy away from letting the one who loves you know what you need My prayer is that after realizing how powerful faith in God is you may put yours into good use God did not put us in this world without carefully equipping us for every challenge we would face God has not created us either as simple tools he can use whenever or for whatever he wants Rather God has made us acting beings able to do things and in fact the things which he himself does God created us in his image and has made us his associates in looking after everything he created Discover the power of faith in God and triumph over the mountains of life *Women Who Move Mountains*

If Your Mountain Won't Move, Climb It! Annette Whitmire,2014-10 Jesus said in Mark 11 23 If anyone says to this mountain Go throw yourself into the sea and does not doubt in their heart but believes that what they say will happen it will be done for them My five year old grandson asked How does God move mountains Aren t they really heavy They sure are and He sure can But what if your mountain will not move or even budge I hope for the next few chapters I can walk along side of you as you climb your mountain by sharing with you bits and pieces of my own personal experiences difficulties and accomplishments A friend of mine once said We tend to look at mountains as a bad thing that Jesus has to cast into the sea but sometimes those mountains are not troubles in our lives but triumphs Sometimes God does not move the mountain but calls us to climb it and conquer it So gather your supplies and get on your hiking shoes and let s go mountain climbing

God Moving through Source Energy ,Cindy,2019-03-14 God traveling through source energy is found in the dark and light forces In the beginning God stands in darkness before creating light In the beginning God created heaven and earth and the earth without form and void and darkness was upon the face of the deep And the spirit of God moved upon the face of the waters Genesis 12 Dark matter is needed on the earth It is during adversity when we have the power to face it and change the direction of those life forces Is it where the mystery is Do we learn by just living in the light There is nothing to discover

in the light because it already stands in truth Should we approach the dark energy to see what s behind it Is it you The life force of God is traveling through the masculine and female energy of the universe Cindy discovers there was no way out of illusion until she faces those dark forces Living in balance is shining the light on the unseen matter Those dark entities could not be her She refuses to live her life unconsciously She stands up to confront the dark energy knowing she was at risk of dying from fighting these strong forces or she was going to destroy it
