The Oxford Handbook of Dance and Ethnicity Anthony Shay,Barbara Sellers-Young,2016-04-20 Dance intersects with ethnicity in a powerful variety of ways and at a broad set of venues Dance practices and attitudes about ethnicity have sometimes been the source of outright discord as when African Americans were and sometimes still are told that their bodies are not right for ballet when Anglo Americans painted their faces black to perform in minstrel shows when 19th century Christian missionaries banned the performance of particular native dance traditions throughout much of Polynesia and when the Spanish conquistadors and church officials banned sacred Aztec dance rituals More recently dance performances became a locus of ethnic disunity in the former Yugoslavia as the Serbs of Bosnia attended dance concerts but only applauded for the

Serbian dances presaging the violent disintegration of that failed state The Oxford Handbook of Dance and Ethnicity brings together scholars from across the globe in an investigation of what it means to define oneself in an ethnic category and how this category is performed and represented by dance as an ethnicity Newly commissioned for the volume the chapters of the book place a reflective lens on dance and its context to examine the role of dance as performed embodiment of the historical moments and associated lived identities In bringing modern dance and ballet into the conversation alongside forms more often considered ethnic the chapters ask the reader to contemplate previous categories of folk ethnic classical and modern From this standpoint the book considers how dance maintains challenges resists or in some cases evolves new forms of identity based on prior categories Ultimately the goal of the book is to acknowledge the depth of research that has been undertaken and to promote continued research and conceptualization of dance and its role in the creation of ethnicity Dance and ethnicity is an increasingly active area of scholarly inquiry in dance studies and ethnomusicology alike and the need is great for serious scholarship to shape the contours of these debates The Oxford Handbook of Dance and Ethnicity provides an authoritative and up to date survey of original research from leading experts which will set the tone for future scholarly conversation

Literary and Cinematic Reservation in Selected Works of Native American Author Sherman Alexie Meredith K. James, 2005 This study explores the importance of the literary reservation of the mind in twentieth century native American literature The book examines the contradictory nature of what the literary reservation space means primarily in the works of Sherman Alexie but also includes discussions of works by N Scott Momaday Leslie Marmon Silko and Louise Erdrich Authors often recreate reservation space in positive ways so their characters are able to survive colonial imposition and administration The book deals with how Native authors reconcile fragmented identities with the landscape and how damaging perceptions and policies regarding Native peoples have contributed to the reservation of the mind *World Music Pedagogy, Volume II: Elementary Music Education* J. Christopher Roberts, Amy Beegle, 2018-04-09 *World Music Pedagogy Volume II Elementary Music Education* delves into the theory and practices of World Music Pedagogy with children in grades 1 6 ages 6 12 It specifically addresses how World Music Pedagogy applies to the characteristic learning needs of elementary school children this stage of a child s development when minds are opening up to broader perspectives on the world presents opportunities to develop meaningful multicultural understanding alongside musical knowledge and skills that can last a lifetime This book is not simply a collection of case studies but rather one that offers theory and practical ideas for teaching world music to children Classroom scenarios along with teaching and learning experiences are presented within the frame of World Music Pedagogy Ethnomusicological issues of authenticity representation and context are addressed and illustrated supporting the ultimate goal of helping children better understand their world through music Archaeological Theory in Dialogue Rachel J. Crellin, Craig N. Cipolla, Lindsay M. Montgomery, Oliver J.T. Harris, Sophie V. Moore, 2020-11-09 *Archaeological Theory in Dialogue* presents an innovative conversation between five scholars from different backgrounds on

a range of central issues facing archaeology today Interspersing detailed investigations of critical theoretical issues with dialogues between the authors the book interrogates the importance of four themes at the heart of much contemporary theoretical debate relations ontology posthumanism and Indigenous paradigms The authors who work in Europe and North America explore how these themes are shaping the ways that archaeologists conduct fieldwork conceptualize the past and engage with the political and ethical challenges that our discipline faces in the twenty first century The unique style of *Archaeological Theory in Dialogue* switching between detailed arguments and dialogical exchange makes it essential reading for both scholars and students of archaeological theory and those with an interest in the politics and ethics of the past
