Sharks François Sarano,2023-10-17 Twenty metres below water the oceanographer Fran ois Sarano came face to face with a five and a half metre great white shark Seduced by the gentle elegance of this majestic creature Sarano experienced a profound sense of affinity with her as they swam side by side shoulder to shoulder eye to eye cutting a single figure through the ocean depths It was an experience which made him realize the depth of our ignorance of the lives of sharks leading him to become a passionate advocate for their protection Drawing on the latest scientific research on the biology and ethology of sharks and their exceptional characteristics this book aims to break through the barrier of prejudice and to pay homage to their true nature Representing a last vestige of wildness their populations are nevertheless under threat like so many species they have been hunted and exploited by humans Sarano argues for a change of mindset in which we lose ourselves in the world of the other so that each living entity human and non human can take their rightful place in the broader global ecosystem Also available as an audiobook **The Lost Prince** Francis Hodgson Burnett,2024-01-18 In The Lost Prince

Frances Hodgson Burnett weaves a richly imagined narrative that combines elements of adventure and fantasy with poignant explorations of identity and belonging Set against the backdrop of the fictional European kingdom of Samandra the story follows young Marco who embarks on a quest to protect the rightful heir to the throne intertwining themes of loyalty and courage Burnett s stylistic prose is imbued with vivid descriptions allowing readers to immerse themselves in this fantastical world that mirrors the political tumult of her time as she cleverly critiques societal norms and the concept of nobility Frances Hodgson Burnett an accomplished author known for her works such as The Secret Garden and A Little Princess drew upon her experiences as an immigrant and her keen observations of Victorian society while penning this tale Her personal background experiencing both the challenges of poverty and the uplifting power of imagination shapes her narratives imbuing them with a sense of hope and resilience The Lost Prince reflects her belief in the transformative power of bravery and friendship I wholeheartedly recommend The Lost Prince to readers seeking a blend of fantasy and profound moral lessons Burnett s timeless storytelling and heartfelt characters continue to resonate with audiences making this book a cherished addition to any literary collection **Rudyard Kipling** John Palmer,2019-12-05 In Rudyard Kipling John Palmer

offers an incisive exploration of the life and works of one of the most celebrated yet controversial authors of the British Empire Palmer employs a meticulous blend of literary criticism and biographical analysis to dissect Kipling s intricate storytelling style which marries vivid imagery with a rhythmic prose unique to his narratives The book contextualizes Kipling s oeuvre within imperial history highlighting themes of colonialism identity and nationalism that permeate his work providing

readers with a nuanced understanding of his contributions to literature and their implications in a post colonial world John Palmer a distinguished literary scholar with a focus on Victorian and Edwardian literature draws from extensive research and critical frameworks to illuminate Kipling s complex identity as both a product and a critic of his times His academic background and personal fascination with Kipling s paradoxical legacy inform this thorough examination shedding light on the societal and personal factors that influenced Kipling s perspectives as well as the enduring impact of his writings on contemporary literature For readers captivated by literary history and cultural analysis Rudyard Kipling is an essential resource that not only enriches one s understanding of Kipling s work but also invites reflection on the broader themes of empire and morality making it a vital addition to any literary scholar s library **Kairos** Gwyneth Jones,2021-11-11 London

Early 21st Century A Conservative government is in power in the UK bringing increased wealth disparity an ever more militant police state and rising civil discontent as the wealthy govern for themselves rather than the people But BREAKTHRU a pharmaceutical company turned religious cult have the answer They call it Kairos Kairos allows the user to not just see a different world but shape the world to their very will Perfect for a cult of like minded individuals Disastrous when it is exposed to the general public As disparate groups of people try to shape the world into their own image reality itself is placed under threat With society so divided is there any way to pull the world back together Written in 1988 this remarkably prescient book received great critical acclaim **Evolution and Imagination in Victorian Children's Literature** Jessica Straley,2016-06-06

Evolutionary theory sparked numerous speculations about human development and one of the most ardently embraced was the idea that children are animals recapitulating the ascent of the species After Darwin s Origin of Species scientific pedagogical and literary works featuring beastly babes and wild children interrogated how our ancestors evolved and what children must do in order to repeat this course to humanity Exploring fictions by Rudyard Kipling Lewis Carroll Frances Hodgson Burnett Charles Kingsley and Margaret Gatty Jessica Straley argues that Victorian children s literature not only adopted this new taxonomy of the animal child but also suggested ways to complete the child s evolution In the midst of debates about elementary education and the rising dominance of the sciences children s authors plotted miniaturized evolutions for their protagonists and readers and more pointedly proposed that the decisive evolutionary leap for both our ancestors and ourselves is the advent of the literary imagination Children's Reading in the Home May Hill Arbuthnot,1969 Handleiding voor ouders en opvoeders voor het gebruik van boeken voor de leesopvoeding van hun kinderen waarin de leesbehoeften van verschillende leeftijdsgroepen en criteria voor de beoordeling van boeken worden aangegeven
