

The image is a stylized landscape painting. In the foreground, a large, flowing, red shape dominates the lower half of the frame. Behind it, a white house with a dark roof and two small windows is visible. The house is surrounded by green hills and trees. The sky is a mix of grey and yellow, with a single bird flying in the upper left. The text 'MOY SAND AND GRAVEL' is written in a simple, blocky font across the middle of the image.

Paul Muldoon

Moy Sand And Gravel Poems:

Moy Sand and Gravel Paul Muldoon, 2002 A collection of poems reflects the author's life in his native Northern Ireland and as a father and teacher in suburban New Jersey **Moy Sand and Gravel** Paul Muldoon, 2008 **Frolic and Detour** Paul Muldoon, 2019-11-19 A new collection from the Pulitzer Prize winning poet Though Frolic and Detour is Paul Muldoon's thirteenth collection it shows all the energy and ambition we might generally associate with a first book Here the poet brings his characteristic humor and humanity to the chickadee the house wren the deaths of Leonard Cohen and C K Williams the Irish Rising the Great War and how a streak of ragwort may yet shine as an off the record remark becomes the party line Frolic and Detour reminds us that the sidelong glance is the sweetest the tangential approach the most telling and shows us why Paul Muldoon was described by Nick Laird writing in The New York Review of Books as the most formally ambitious and technically innovative of modern poets who writes poems like no one else *The Word on the Street* Paul Muldoon, 2014-09-02 A vibrant new collection of poems that also double as rock songs from the Pulitzer Prize winning poet In his new book of rock lyrics Paul Muldoon goes back to the essential meaning of the term lyric a short poem sung to the accompaniment of a musical instrument These words are written for music most assuredly with half an ear to Yeats's ballad singing porter drinkers and half to Cole Porter and indeed many of them double as rock songs performed by Wayside Shrines the Princeton based music collective of which Muldoon is a member Their themes are the classic themes of song lost love lost wars Charlton Heston barbed wire pole dancers cellulite Hegel elephants Oedipus more barbed wire Buddy Holly Jersey peaches Julius Caesar Trenton cockatoos and the Youngers Bob and John and Jim and Cole The Word on the Street is a lively addition to this Pulitzer Prize winning poet's masterful body of work It demonstrates once again that as Richard Eder has written in the pages of The New York Times Book Review Paul Muldoon is a shape shifting Proteus to readers who try to pin him down Those who interrogate Muldoon's poems find themselves changing shapes each time he does Moy Sand and Gravel Paul Muldoon, 2011 Poems 1968-1998 Paul Muldoon, 2002-04-03 Yet my eye is drawn once again Almost against its wishes To the figure in the shadows Willowy and clean shaven As if he simply wandered in Between mending that fuse And washing the breakfast dishes The Bearded Woman by Ribera Sven Birkerts has said It is not usual for a poet of Muldoon's years to have an oeuvre disclosing significant shifts and evolutions But Muldoon more than most is an artist in high flight from self repetition and the deadening business of living up to created expectations The body of work in Poems 1968 1998 a comprehensive gathering of Paul Muldoon's eight volumes finds a great poet reinventing himself and recreating the business of poetry The thirty year effort of Muldoon's career thus far is altogether like a fascinatingly mutable climate in which each freshening period brings as his first collection was predictively titled new weather **Selected Poems, 1968-2014** Paul Muldoon, 2016-11-22 The most significant English Language poet born since the second world war The Times Literary Supplement Selected Poems 1968 2014 offers forty six years of work drawn from twelve individual collections by a poet who

began as a prodigy and has gone on to become a virtuoso Michael Hofmann Hailed by Seamus Heaney as one of the era's true originals Paul Muldoon seems determined to escape definition yet this volume compiled by the poet himself serves as an indispensable introduction to his trademark combination of intellectual hijinks and emotional honesty Among his many honors are the Pulitzer Prize for Poetry and the Shakespeare Prize for contributions from English speaking Europe to the European inheritance Among contemporaries Paul Muldoon one of the great poets of the past hundred years who can be everything in his poems word playful lyrical hilarious melancholy And angry Only Yeats before him could write with such measured fury Roger Rosenblatt The New York Times One Thousand Things Worth Knowing Paul Muldoon, 2015-01-13 Another wild expansive collection from the eternally surprising Pulitzer Prize winning poet Smuggling diesel Ben Hur the movie yes but also Lew Wallace's original book and Seosamh Mac Grianna's Gaelic translation a real trip to Havana an imaginary trip to the Chateau d'If Paul Muldoon's newest collection of poems his twelfth is exceptionally wide ranging in its subject matter as we've come to expect from this master of self reinvention He can be somber or quick witted often within the same poem The mournful refrain of Cuthbert and the Otters is I cannot thole the thought of Seamus Heaney dead but that doesn't stop Muldoon from quipping that the ancient Danes are already dyeing everything beige In anticipation perhaps of the carpet and mustard factories If this masterful multifarious collection does have a theme it is watchfulness War is to wealth as performance is to appraisal he warns in Recalculating And Source is to leak as Ireland is to debt Heedful hard won head turning heartfelt these poems attempt to bring scrutiny to bear on everything including scrutiny itself One Thousand Things Worth Knowing confirms Nick Laird's assessment in The New York Review of Books that Muldoon is the most formally ambitious and technically innovative of modern poets an experimenter and craftsman who writes poems like no one else

Frolic and Detour Paul Muldoon, 2020-11-03 A new collection from the Pulitzer Prize winning poet Though Frolic and Detour is Paul Muldoon's thirteenth collection it shows all the energy and ambition we might generally associate with a first book Here the poet brings his characteristic humor and humanity to the chickadee the house wren the deaths of Leonard Cohen and C K Williams the Irish Rising the Great War and how a streak of ragwort may yet shine as an off the record remark becomes the party line Frolic and Detour reminds us that the sidelong glance is the sweetest the tangential approach the most telling and shows us why Paul Muldoon was described by Nick Laird writing in The New York Review of Books as the most formally ambitious and technically innovative of modern poets who writes poems like no one else New Weather Paul Muldoon, 2011-08-04 New Weather was Paul Muldoon's first book of poems When it appeared in 1973 Seamus Heaney described its author as unusually gifted endowed with an individual sense of rhythm a natural and copious vocabulary a technical accomplishment and an intellectual boldness that mark him as the most promising poet to appear in Ireland for years While the promise has been amply fulfilled New Weather gives the poet's many more recent admirers the opportunity to see what a versatile and substantial artist he was from the outset *Mules* Paul Muldoon, 2010-12-09 *Mules* Paul Muldoon

s second collection was published in 1977 Muldoon seems to me unusually gifted endowed with an individual sense of rhythm a natural and copious vocabulary a technical accomplishment and an intellectual boldness that mark him as the most promising poet to appear in Ireland for years Seamus Heaney *Howdie-Skelp* Paul Muldoon,2021-11-16 The Pulitzer Prize winning poet delivers a sharp wake up call with his fourteenth collection *A howdie skelp* is the slap in the face a midwife gives a newborn It s a wake up call A call to action The poems in *Howdie Skelp* Paul Muldoon s new collection include a nightmarish remake of *The Waste Land* an elegy for his fellow Northern Irish poet Ciaran Carson a heroic crown of sonnets that responds to the early days of the COVID 19 pandemic a translation from the ninth century Irish and a Yeatsian sequence of ekphrastic poems that call into question the very idea of an affront to good taste Muldoon is a poet who continues not only to capture but to command our attention *Maggot* Paul Muldoon,2014-08-05 Of *Plan B* an interim volume that included several of the poems in *Maggot* Robert McCrum recently said in the *London Observer* that Paul Muldoon who has done so much to reimagine the poet s task has surpassed himself with his latest collection In his eleventh full length book Muldoon reminds us that he is a traditional poet who is steadfastly at odds with tradition If the poetic sequence is the main mode of *Maggot* it certainly isn t your father s poetic sequence Taking as a starting point W B Yeats s remark that the only fit topics for a serious mood are sex and the dead Muldoon finds unexpected ways of thinking and feeling about what it means to come to terms with the early twenty first century It s no accident that the centerpiece of *Maggot* is an outlandish meditation on a failed poem that draws on the vocabulary of entomological forensics The last series of linked lyrics meanwhile takes as its subject the urge to memorialize the scenes of fatal automobile accidents The extravagant linkage of rot and the erotic is at the heart of not only the title sequence but also many of the round songs that characterize *Maggot* and has led Angela Leighton writing in *The Times Literary Supplement* to see these new poems as giving readers a thrilling wild fairground ride with few let ups for the squeamish **Quoof** Paul Muldoon,2010-12-09 These poems delight in a wily mischievous nonchalant negotiation between the affections and attachments of Muldoon s own childhood family and place and the ironic discriminations of a cool literary sensibility and historical awareness *Times Literary Supplement* **The End of the Poem** Paul Muldoon,2024-09-04 In *The End of the Poem* Paul Muldoon the most significant English language poet born since the Second World War *The Times Literary Supplement* presents engaging rigorous and insightful explorations of a diverse group of poems from Yeats s *All Souls Night* to Stevie Smith s *I Remember* to Fernando Pessoa s *Autopsychography* Here Muldoon reminds us that the word poem comes via French from the Latin and Greek a thing made or created He asks Can a poem ever be a freestanding discrete structure or must it always interface with the whole of its author s bibliography and biography Muldoon explores the boundlessness the illimitability created by influence what Robert Frost meant when he insisted that the way to read a poem in prose or verse is in the light of all the other poems ever written And he writes of the boundaries or borders between writer and reader and the extent to which one determines the role of the other At the end Muldoon returns

to the most fruitful and fraught aspect of the phrase the end of the poem the interpretation that centers on the aim or function of a poem and the question of whether or not the end of the poem is the beginning of criticism Irreverent deeply learned often funny and always stimulating The End of the Poem is a vigorous and accessible approach to looking at poetry anew Joy in Service on Rue Tagore Paul Muldoon, 2024-09-10 Is there any living poet with as skilled an ear as McSweeney's? The answer resounds Muldoon is a true original Since his 1973 debut *New Weather* Paul Muldoon has created some of the most original and memorable poetry of the past half century Joy in Service on Rue Tagore sees him writing with the same verve and distinction that have consistently won him the highest accolades Here from artichokes to zinc Muldoon navigates an alphabet of image and history through barleymen and Irish slavers to the last running wolf in Ulster The search involves the accumulated bric a brac of a life and a reckoning along the way of gains against loss In the poet's skillful hands ancient maps are unfurled and brought into focus the aggregation of Imperial Rome and the dismantling of Standard Oil the pogroms of a Ukrainian ravine and of a Belfast shipyard Through modern medicine and warfare disaster and repair these poems are electric in their energy while profoundly humane in their line of inquiry New Selected Poems Paul Muldoon, 2010-12-09 Between *New Weather* 1973 which Seamus Heaney said marked its author as the most promising poet to appear in Ireland for years and *The Annals of Chile* which was awarded the T S Eliot Prize for the best book of poems of 1994 Paul Muldoon amassed an incomparable body of work *New Selected Poems* 1968-1994 offers the author's own choice from his first seven Faber collections his pamphlets and his opera libretto *Shining Brow* and serves as the ideal introduction for readers not yet familiar with his superabundant gifts The most significant English language poet born since the Second World War Times Literary Supplement **Selected Poems 1968-2014** Paul Muldoon, 2017-11-14 The most significant English Language poet born since the second world war The Times Literary Supplement *Selected Poems 1968-2014* offers forty six years of work drawn from twelve individual collections by a poet who began as a prodigy and has gone on to become a virtuoso Michael Hofmann Hailed by Seamus Heaney as one of the era's true originals Paul Muldoon seems determined to escape definition yet this volume compiled by the poet himself serves as an indispensable introduction to his trademark combination of intellectual hijinks and emotional honesty Among his many honors are the Pulitzer Prize for Poetry and the Shakespeare Prize for contributions from English speaking Europe to the European inheritance Among contemporaries Paul Muldoon one of the great poets of the past hundred years who can be everything in his poems word playful lyrical hilarious melancholy And angry Only Yeats before him could write with such measured fury Roger Rosenblatt The New York Times *Paul Muldoon and the Language of Poetry* Ruben Moi, 2020-01-13 Paul Muldoon and the Language of Poetry is the first book in years that attends to the entire oeuvre of the Irish American poet critic lyricist dramatist and Princeton professor from his debut with *New Weather* in 1973 up to his very recent publications Ruben Moi's book explores in correspondence with language philosophy and critical debate how Muldoon's ingenious language and inventive form give shape and significance to

his poetry and how his linguistic panache and technical verve keep language forever surprising new and alive **Why**
