Description This book is a must for anyone making a serious study into the totally ridiculous Sid Ozalid first burst onto the scene in 1978 as a one legged tap dancing poet He would dance with his pet monkey thrash himself with a daisy and beat his head with a tin tray During this time he provided support for such acts as Simple Minds The Clash The Specials OMD and many more some of whom asked for him to be removed from the building He worked on Radio TV and in The Moulin Rouge This entertaining story of Sid s life and his brushes with fame over a 30 year period plus a collection of poems written and performed from 1977 to 2010 demonstrates one man s desire to find a space for his creativity About the Author Born weeks before the start of the 1960s Douglas fitted in very well at school until he had to learn something On leaving school at 16 he found employment working in the cartographic drawing office at BP in Aberdeen To fulfil his creative side he invented the poet Sid Ozalid and went on to perform for over 30 years on stage radio and TV At the turn of the century Douglas suffered mental health issues and stopped both writing and performing Over a period of time and with the help of friends and colleagues he managed to get back to work and establish himself as a successful Facilitator and Change Manager Douglas has gone on a number of sponsored cycle rides and raised thousand of pounds for mental health charities In 2010 he started performing again with gigs in London Aberdeen Amsterdam and on the moon Children's Books in Print ,1987 **Books**

of the beholder Is Jena Parker a cold person Does something dark curl within her waiting to spring It doesn't appear so on the surface Actually Jena Parker seems blessed She is young and beautiful She has parents who love her and a supportive best friend Jake Paterson who always has her back Even so there is a creeping sensation she feels inside something hopeless something dark Worse it seems her neighbor is spying on her One day Jena catches the strange Mr McNeil watching her The man has always made Jena uncomfortable but now more than ever she feels something bad might happen Her life takes a dark turn just as Jake reveals he loves her But Jena doesn't see Jake that way and is worried he could ruin their friendship forever with his confession Things take another turn for the worse when Jena's father's life is in jeopardy Someone is out to get her and she knows it Even her dreams are warning her to beware but what does Jena have to fear more predators who mean to harm or her internal monster poised to attack Even a nice normal girl can be pushed over the edge by horrendous circumstance What is Jena willing to do to stop this darkness from happening With no one left to trust Jena Parker may lose more than a parent she could possibly lose her mind
