Euphrasia could not be called a wasteful person and Hilary had accumulated no small portion of this world's goods and placed them as propriety demanded where they were not visible to the naked eye and he added in his favour that he gave as secretly to institutions and hospitals the finances and methods of which were known to him As concrete evidence of the Honourable Hilary Vane's importance when he travelled he had only to withdraw from his hip pocket a book in which many coloured cards were neatly inserted an Open sesame which permitted him to sit without payment even in those wheeled palaces of luxury known as Pullman cars Within the limits of the State he did not even have to Open the book but merely say with a twinkle of his eyes to the conductor Good morning John and John would reply with a bow and a genial and usually witty remark and point him out to a nobody who sat in the back of the car So far had Mr Hilary Vane's talents carried him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
