Brinegar,2023-02-17 Enjoy this murder mystery with a courtroom drama and a seaside vacation from Brittany E Brinegar author of witty whodunits Two cases One summer Zero chance for relaxation She wants to spend her vacation soaking up the sun not swimming with sharks Becky

Robinson's first courtroom case is turning into a legal circus. A notorious thief claims he was hypnotized into committing the crime, an excuse so wild even Hollywood would reject it. But as Becky digs deeper, she uncovers a tangled web of deception that suggests he might actually be innocent. The real problem: Convincing a jury before it's too late. But just when she's ready for a break, a sleepy coastal town serves up another mystery, this time with a side of apple turnovers. A local bookstore owner is convinced her baker ex-husband is trying to kill her. The town dismisses it as fiction until a skeleton turns up covered in flour. Undercover at the bakery, Becky must separate the sweet from the sinister before the killer serves up another victim. With summer heating up and suspects piling higher than a stack of pancakes, can Becky solve both cases before she's toast?

James Stewart Donald Dewey, 2014-04-03. In this penetrating and riveting biography of one of Hollywood's most beloved screen icons, Donald Dewey probes beneath Jimmy Stewart, the conservative image and ideal, to reveal James Stewart, the actor and the man. Through hundreds of interviews and in-depth analysis of his seventy-five films, the author assesses how the Hollywood man about town of the 1930s and 40s. Stewart's lovers included Ginger Rogers, Olivia de Havilland, and Marlene Dietrich, became the epitome of American family values, who remained married for forty-five years, and how the studio-bred effervescent star of *It's a Wonderful Life* developed into the brilliant actor whose performances in films such as *Vertigo* and *Shenandoah* exposed a vulnerability unseen in his personal relationships. With many insights into the turmoil of his private life, the artistry behind his cinematic craft, and his heroic military record in the Second World War, Dewey gives us much more than a legend to love. *Soundtracks* Stewart R. Craggs, 2019-05-03. First published in 1998, music scored for film has only relatively recently received the critical attention which it merits. Many composers in the twentieth century have written works for films or documentaries, a number feeling that this aspect of their output has been undervalued. This dictionary complements other studies which have appeared in recent years which look at the technical and theoretical issues concerned with film music composition. Arranged alphabetically by composer, the volume comprises over 500 entries covering all nationalities. Each entry includes very brief biographical information on the composer, followed by a list of the films with dates for which he or she has composed. Details of recordings are also given. The dictionary's international coverage ensures that it will become a standard reference work for all those interested in the history of twentieth-century music and the development of film. *Proceedings of the School*
