Mr Principalyour Activity Period Sucks:

Mr. Principal, Your Activity Period Sucks Cecil Mosenson, 2010 The episodic scenes herein were created from incidents that occurred while I was principal of a junior high The happenings are in vivid snapshots and the events take the reader on a roller coaster ride of emotions I would hope that this story will be a learning tool for future administrators and a keepsake for current administrators who have experienced similar adventures This record is not intended to denigrate the thousands of marvelous teachers including my wife who thrive in using their talents and skills to motivate and educate the children of America It does however describe experiences and episodes of an extraordinary nature during my tenure as principal of this junior high school

It All Began with Wilt Cecil Mosenson, 2017-07-10 Having coached one of the best basketball players to have ever played the game is a great accomplishment but Cecil Mosenson has a bigger story to tell In *It All Began with Wilt* the reader gets to see the power of a coach the power of a man and the power of a friend Armed with the ability to coach and teach Cecil worked his way through highly acclaimed and successful coaching positions awards on every level administrative opportunities and ultimately into the lives of countless teenagers His kids still thank him for the impact that he had in sports and life His inspiration now extends past the court into a wonderfully wrought memoir Cecil Mosenson shares his life of coaching starting with Wilt I was talking to the other coach and the officials when I happened to glance at Wilt He had adorned himself with a golf hat a shimmering white silk scarf and dark sun glasses I called him over and told him very directly Adam Even through the anguish that my father caused I never wanted it to end I loved every minute of it even with the disappointments the embarrassments the endless valleys and that one peak that will live with me forever As if by magic all the fans stopped in their tracks turned around and started back into the stands It looked to me as if he were holding the Ten Commandments in one hand and the other hand was pointing upwards into the heavens He was the Charlton Heston of the basketball world This is about the people Mosenson touched and those who touched him It began with Wilt but it hardly ended there Phil Jasner Philadelphia Daily News NBA Sports Writer
