death Jane Austen's opening line It is a truth universally acknowledged that a single man in possession of a good fortune must be in want of a wife is a sentence filled with irony and playfulness The novel revolves around the importance of marrying for love not simply for money despite the social pressures to make a good i.e. wealthy match Pride and Prejudice Jane Austen,1852 **Darcy's Passions** Regina Jeffers,2009-02-01 Witty romantic and insightful Darcy's Passions captures the original style and sardonic humor of Jane Austen's Pride and Prejudice while turning the entire story on its head Written from the perspective of Fitzwilliam Darcy this novel tells his version of an improbable even obsessive relationship with a most impossible woman Elizabeth Bennet This novel reveals Darcy's passion and conviction but also his turmoil Darcy knows that duty to family and estate demands he choose a woman of refined tastes Yet what his mind tells him to do and what his heart knows to be true tear him in opposite directions He loves a woman he first denies for being unworthy but it is he who is found wanting when Elizabeth Bennet refuses his proposal of marriage Devastated Darcy must search his soul and transform himself into the man she can love and respect *Unequal Affections* Lara S. Ormiston,2014-01-07 When Elizabeth Bennet first knew Mr Darcy she despised him and was sure he felt the same Angered by his pride and reserve influenced by the lies of the charming Mr Wickham she never troubled herself to believe he was anything other than the worst of men until one day he unexpectedly proposed Mr Darcy's passionate avowal of love causes Elizabeth to reevaluate everything she thought she knew about him What she knows is that he is rich handsome clever and very much in love with her She on the other hand is poor and can expect a future of increasing poverty if she does not marry The incentives for her to accept him are strong but she is honest enough to tell him that she does not return his affections He says he can accept that but will either of them ever be truly happy in a relationship of unequal affection Diverging from Jane Austen's classic novel Pride and Prejudice at the proposal in the Hunsford parsonage this story explores the kind of man Darcy is even before his proper humbling and how such a man so full of pride so much in love might have behaved had Elizabeth chosen to accept his original proposal **The Poets of Keighley, Bingley, Haworth and District** Charles Frederick Forshaw,1891 Nature displayed in the heavens and on the earth Simon Shaw,1823 Pride & Prejudice Jane Austen,1907 *Sally on the Rocks* Winifred Boggs,1915 Picture Book Index Margaret Hobson,Jennifer Madden,1996 **Starcrossed at Longbourn** Nora Kipling,2017-12-25 After the loss of his eldest child and only son Mr Bennet swears that no Darcy will ever darken the doorstep of Longbourn again Elizabeth Bennet is only a child when she meets Fitzwilliam Darcy under the most inauspicious of circumstances Outside the constraints of adult society they form a fast friendship that is severed almost immediately by Mr Bennet and his anger at the death of his son John Bennet Thirteen years later it is love at second sight at a masquerade in Meryton No longer a girl but a young woman out in society Elizabeth attends a masquerade in Meryton only to dance two sets with a gentleman that she does not recognize but feels uncommonly drawn to There are newcomers to Hertfordshire letting out Netherfield Park and this quiet tall gentleman with an aristocratic mien must be one of them for she does not know his voice

and his face is hidden by his mask but his eyes Elizabeth Bennet who has sworn off of love for herself so that she may never feel the touch of grief again falls deeply and irrevocably in love with those dark eyes that follow her across the assembly hall each time she looks up The last time he saw her she was but a wisp of a thing in need of a kind word and a friend Elizabeth Bennet has grown into the kind of beauty that would break hearts were she to stay any length of time in London with a cleverness and wit that catches Mr Darcy by surprise He had not wanted to attend the masquerade and now he both deeply regrets and rejoices all at once at his decision to go But the woman who has caught his eye and his heart is the daughter of a man who cursed him and barred the Darcys from the Longbourn estate and forbade any kinship with the Bennets forever Darcy regrets ever coming back to Hertfordshire for he knows that after one dance with Elizabeth Bennet his heart is forsworn to her and after two dances his mind is set he will marry her or live the rest of his life alone But he cannot court her as himself no Darcy would ever be permitted to marry a Bennet never mind how desperate the situations at Longbourn might be And so Mr Darcy must become someone else in order to be with the woman of his dreams and hope that his deception will not be discovered But with a familial patriarch barring the way and skeletons amongst the ton waiting to descend with outstretched claws will Mr Darcy finally find his happiness And if Elizabeth Bennet discovers his secret will she still accept him This is a sweet clean romance suitable for all lovers of Jane Austen s Pride and Prejudice
