Mr Infinity:

A Name of Their Own Melinda Krise,2023-09-06 Welcome to the city of Mathematics A place where numbers come to life and live lives of their own Have you ever wondered how numbers got their names How did a number end up being a one ten hundred thousand or million Who decided what to call them and how are they different How do you tell them apart Come along on this fantasy story and learn how it all began Place Value Street is just a quiet ordinary street where numbers live play and enjoy life Just like everyone else in Mathematics City the numbers get up each day and go to work at the Numeration Factory It s a good life except for one thing Mr Infinity the numeration president is constantly struggling to get the number he wants to come when he calls All the numbers share the name ones tens or hundreds so when he calls for ones he gets ones of every shape and size It s very frustrating Then one day gossip breaks out at the factory and everyone assumes it is the number that they know Something must be done In an act of desperation Mr Infinity comes up with a plan that will change all the numbers lives end the gossip and make it so much easier to work with numbers Learn all about Place Value Street the names of each number why they have their names how to tell them apart read numbers of different sizes and a lesson on gossip in this imaginative tale of Mathematics City **The Reasoner** ,1850 [Hearings](#) United States. Congress. Joint Committee ...,1959 **Ahmed the Philosopher** Alain Badiou,2014-04-29 English speaking readers might be surprised to learn that Alain Badiou writes fiction and plays along with his philosophical works and that they are just as important to understanding his larger intellectual project In Ahmed the Philosopher Badiou s most entertaining and accessible play translated into English here for the first time readers are introduced to Badiou s philosophy through a theatrical tour de force that has met with much success in France Ahmed the Philosopher presents its comic hero the treacherous servant Ahmed as a seductively trenchant philosopher even as it casts philosophy itself as a comic performance The comedy unfolds as a series of lessons with each short play or sketch illuminating a different Badiousian concept Yet Ahmed does more than illustrate philosophical abstractions he embodies and vivifies the theatrical and performative aspects of philosophy mobilizing a comic energy that exposes the emptiness and pomp of the world Through his example the audience is moved to a living engagement with philosophy discovering in it the power to break through the limits of everyday life **INFINITY'S CHILD** Harry Stein,2012-04-18 They were on the brink of the most important scientific discovery of our time But they needed a baby Her baby Their first choice Sally Benedict is having a baby After years of trying after scores of tests Sally and her husband are thrilled But someone is watching someone who knows all about Sally s unborn child right down to her unique genetic code Their last chance A few miles away scientists at a biotech lab are nearing a breakthrough They have uncovered the key to longevity in one family s genetic makeup Lives will be saved Billions can be made But one crucial piece is missing the healthy organs of a newborn who possesses the rare infinity gene Their next victim A world class reporter in her small town Sally can sense the darkness gathering around her Graves are being robbed in the local churchyard and they all belong to

one family her own Then suddenly with her husband out of town Sally goes into labor in a remote rural hospital knowing she can trust no one not even her own doctor What she doesn't know is how far this is all going to go Because ruthless scientists desperate for a medical miracle are running out of time And they're coming for Sally's child A Plea for Atheism Charles Bradlaugh, 2020-12-08 In *A Plea for Atheism* Charles Bradlaugh articulates a powerful defense of atheism framed within the context of 19th century rationalism and social reform Employing a direct and persuasive literary style Bradlaugh challenges the prevailing dogmas and superstitions of his time advocating for a philosophical approach rooted in empirical evidence and rational thought The text delves into moral philosophy arguing that ethical behaviors are attainable independent of religious doctrine thereby seeking to liberate individuals from the constraints of traditional belief systems Charles Bradlaugh a prominent English political activist and a pioneering figure in the atheist movement faced significant societal opposition due to his views His background as a freethinker and his experiences with political censorship informed his passionate plea for secularism and reason Bradlaugh's advocacy for civil liberties and personal freedoms drove him to confront the societal prejudices surrounding atheism contributing to his status as a key figure in the struggle for individual rights during the Victorian era Readers seeking to broaden their understanding of secular philosophy and its historical implications will find *A Plea for Atheism* to be an essential text Bradlaugh's compelling arguments and fearless challenge to orthodoxy encourage critical thinking and invite readers to engage thoughtfully with the fundamental questions of faith and reason
