Chatraw, Mark D. Allen, 2023-05-30 What can we learn from Augustine about apologetics? This book shows how Augustine defended the faith in late antiquity and how his approach to engaging the culture has great significance for the apologetic task today. Joshua Chatraw and Mark Allen, coauthors of the award-winning *Apologetics at the Cross*, an Outreach magazine and Gospel Coalition Resource of the Year, recover Augustine's mature apologetic voice to address the challenges facing today's church. The Augustine Way offers a compelling argument for Christian witness that is rooted in tradition and engaged with contemporary culture. It focuses on Augustine's best-known works, *Confessions* and *The City of God*, to retrieve his scriptural and ecclesial approach for a holistic apologetic witness. This book will be useful for students as well as for pastors, church leaders, and practitioners of Christian apologetics. It puts pastors and churches back at the center of apologetics, transcending popular contemporary methods with a view to a more effective witness in post-Christendom. *Massive Charisma* Patrick King, 2023-06-14 Develop your own personal gravity with concrete skills to stand out, be noticed, and captivate people.
