Rediscover the masterful stories of a midcentury artist whose multifaceted portraits of women were generations ahead of her time A stunning crystalline collection Vogue Nancy Hale was considered one of the preeminent short story artists of her era a prolific writer whose long association with The New Yorker rivaled that of her contemporary John Cheever But few readers today will recognize her name Acclaimed author Lauren Groff has selected twenty five of Hale s best stories presented here in the first career spanning edition of this astonishingly gifted writer s work These stories seem ahead of their time in their depiction of women complicated characters sometimes fragile possibly wicked often remarkable in their apparent ordinariness from an adolescent girl in Connecticut driven into delirium over her burgeoning sexuality in Midsummer to a twenty something New Yorker experiencing culture shock during a visit to a friend s house in Virginia in That Woman to a New England widow in search of alcohol while babysitting her grandson in Flotsam Other stories touch on memories of childhood the intense trauma of electroshock therapy and the spectre of white supremacy Haunting vivid and subversive in the best sense Where the Light Falls is nothing less than a major literary rediscovery **The Episcopalian** ,1968

Originally published in 1983 this title lists and annotates reference sources which will help readers select primary materials useful in studies of the literary portraits of women and their societal roles The years 1961 to 1981 were set as boundaries for this volume because the author s initial research revealed that a twenty year span was a manageable unit because the novels published between those dates yielded abundant materials for such a reference work and because significant changes in the way portraits of adolescent females were being drawn took place during the period for example sex role stereotyping became a shade less prevalent young women s sexuality was discussed more forthrightly and some topics such as single women s pregnancies and lesbianism were treated more overtly sometimes less judgementslly **Annual Report of the Woman's Board of Missions of the Interior** Woman's Board of Missions of the Interior,1901 *Joanne Woodward* Peter Shelley,2019-09-06
