Mrs Caliban And Others:

Mrs Caliban and Other Stories Rachel Ingalls, 2013-04-18 I loved Mrs Caliban So deft and austere in its prose so drolly casual in its fantasy John Updike First published in 1982 Mrs Caliban was in 1986 selected by the British Book Marketing Council as one of the 20 best post war American novels Ingalls takes a B movie premise aquatic humanoid escapes from lab and pounds it into a thrilling new shape a vehicle for social satire kitchen sink realism surreal domesticity and just plain blood curdling screams The book deals with incest and insanity curtailed feminine social spheres and the Other horrific violence and a palpable sadness saturate the pages Ed Park Village Voice This volume also includes two story collections Three of a Kind and The End of Tragedy so making a tremendous primer in the subtle prose style and fabulist force of Rachel Ingalls

Mrs Caliban and Others Rachel Ingalls, 1982 *Mrs. Caliban* Rachel Ingalls, 2017-11-15 Now back in print Mrs Caliban is totally unforgettable The New York Times Book Review and something of a miracle The New Yorker In the quiet suburbs while Dorothy is doing chores and waiting for her husband to come home from work not in the least anticipating romance she hears a strange radio announcement about a monster who has just escaped from the Institute for Oceanographic Research Reviewers have compared Rachel Ingalls's Mrs Caliban to King Kong Edgar Allan Poe's stories the films of David Lynch Beauty and the Beast The Wizard of Oz E T Richard Yates's domestic realism B horror movies and the fairy tales of Angela Carter how such a short novel could contain all of these disparate elements is a testament to its startling and singular charm

A Way of Life, Like Any Other Darcy O'Brien, 2014-07-01 This PEN Hemingway Award winner about coming of age in Los Angeles is a little gem of a novel a masterwork of Hollywood fiction Salon He's a child of 1940s Hollywood specifically Casa Fiesta a ranch in the Malibu hills that he shares with his mother a onetime Broadway headliner and his father a star of Westerns But when his parents fall out of favor in Tinseltown the narrator of this exquisitely crafted dark comedy loses his youthful idyll and accompanies his lovesick mother on a vodka soaked international quest for romance and redemption Meanwhile his father lives in diminished circumstances in California clinging to his silver screen mementos trusting that someday soon his ex wife and his career will return Tired of tending bar at his mother's parties and listening to his father's sad tales of former glory the boy moves in with his best friend's family in Beverly Hills But nothing in La La Land is quite what it seems and when his new home turns out to be just as dysfunctional as the last our teenage hero must somehow learn to accept his parents while finding the courage to break free and become his own man This award winning novel a kind of Catcher in the Rye for the Cheap Trick generation GQ was cited by the Guardian as one of the ten best neglected literary masterpieces Written by a New York Times bestselling author who was a child of Hollywood movie stars himself it has been praised for its spectacularly deadpan humor by the Atlantic Monthly and called an insightful coming of age tale by the Austin Chronicle

The Fantastic Other Brett Cooke, George E. Slusser, Jaume Marti-Olivella, 2022-06-08 The Fantastic Other is a carefully assembled collection of essays on the increasingly significant question of alterity in modern

fantasy the ways in which the understanding and construction of the Other shapes both our art and our imagination The collection takes a unique perspective seeing alterity not merely as a social issue but as a biological one Our fifteen essays cover the problems posed by the Other which after all go well beyond the bounds of any single critical perspective With this in mind we have selected studies to show how insights from deconstruction Marxism feminism and Freudian Jungian and evolutionary psychology help us understand an issue so central to the act of reading

Aliens George Edgar Slusser, 1987 How and when does there come to be an anthropology of the alien This set of essays written for the eighth J Lloyd Eaton Conference on Fantasy and Science Fiction is concerned with the significance of that question Anthropology is the science that must designate the alien if it is to redefine a place for itself in the universe according to the Introduction The idea of the alien is not new In the Renaissance Montaigne's purpose in describing an alien encounter was excorporation man kind was the savage because the artificial devices of nature controlled him Shakespeare's version of the alien encounter was incorporation his character of Caliban is brought to the artificial political world of man and incorporated into the body politic The essays in this volume show in their general orientation that the tribe of Shakespeare still in literary studies at least outnumbers that of Montaigne These essays show the interrelation of the excorporating possibilities to the internal soundings of the alien encounter within the human mind and form This book is divided into three parts Searchings The Quest for the Alien includes The Aliens in Our Mind by Larry Niven Effing the Ineffable by Gregory Benford Border Patrols by Michael Beehler Alien Aliens by Pascal Ducommun and Metamorphoses of the Dragon by George E Slusser Sightings The Aliens among Us includes Discriminating among Friends by John Huntington Sex Superman Sociobiology by Joseph D Miller Cowboys and Telepaths by Eric S Rabkin Robots by Noel Perrin Aliens in the Supermarket by George R Guffey and Aliens R U S by Zoe Sofia Soundings Man as the Alien includes H G Wells Familiar Aliens by John R Reed Inspiration and Possession by Clayton Koelb Cybernauts in Cyberspace by David Porush The Human Alien by Leighton Brett Cooke From Astarte to Barbie by Frank McConnell and An Indication of Monsters by Colin Greenland

People's Choice Literature Tom Comitta, 2025-06-03 What do Americans truly want in a novel What would it look like if their preferences and aversions materialized in book form In *People's Choice Literature* Tom Comitta has taken up this challenge writing two groundbreaking novels based on a nationwide poll about literary taste one featuring the story elements Americans most desire and another containing

everything Americans despise The Most Wanted Novel is a fast paced thriller evoking page turners by Dan Brown David Baldacci and Janet Evanovich It follows a California woman pulled into a tech tycoon s apocalyptic ambitions after her brother s kidnapping teaming up with a hunky FBI agent with a tragic past The Most Unwanted Novel is a genre bending doorstopper an epistolary Christmas novel set on a near future Mars where elderly aristocratic tennis players scour the globe for lost love venturing from the coldest of arctic wastelands to the darkest caverns of the macabre Variousy recalling Kathy Acker C sar Aira and Philip K Dick it features sentient robots talking animals and a hundred page collection of horror stories People s Choice Literature is inspired by the artists Komar and Melamid who created two now infamous paintings based on opinion polling A similar experiment by Dave Soldier produced The Most Wanted Song and The Most Unwanted Song Comitta has adapted these methods to fiction drawing on readers preferences about everything from genre to verb tense to characters identity and incorporating machine learning data and passages written in collaboration with a large language model Audacious and shockingly entertaining People s Choice Literature also asks big questions about taste authorship and the notion of good writing

The A to Z of Fantasy Literature Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

Caliban's Shore: The Wreck of the Grosvenor and the Strange Fate of Her Survivors

Stephen Taylor,2005-07-17 This incredible true story reads like the wildest fiction Booklist In the summer of 1783 the grandees of the East India Company were horrified to learn that one of their finest ships the 741 ton Grosvenor had been lost on the wild and unexplored coast of southeast Africa Astonishingly most of those on board reached the shore safely 91 members of the crew and 34 wealthy high born passengers including women and children They were hundreds of miles from the nearest European outpost and they were not alone They surveyed one another with mutual incomprehension on the one

hand the dishevelled castaways on the other black warriors with high conical hairstyles daubed with red mud Drawing upon unpublished material and new research Stephen Taylor pieces together the strands of this compelling saga sifting the myths from a reality that is no less gripping Full of unexpected twists Caliban's Shore takes the reader to the heart of what is now South Africa to analyze the misunderstandings that led to tragedy to tell the story of those who returned and to unravel the mystery of those who stayed **Farthest South & Other Stories** Ethan Rutherford,2021-04-21 A baby is born with gills Foxes raise and then lose a human child A man in the final throes of his deathbed fever dream experiences a cross Antarctic voyage The stories in Furthest South the second story collection from renowned writer Ethan Rutherford find characters in the most unexpectedly menacing of circumstances in which their sanity happiness and safety are put to the test Formally ambitious with an eye toward the strange with a inimitable style all Rutherford's own each story is nonetheless firmly grounded by a deep human concern the anxiety of family connection and humanity **Historical Dictionary of Fantasy Literature** Allen Stroud,2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature **Punch** ,1983-10
