## **Much Ado About Something My Life And Times:**

**The Dramatic Art of Athol Fugard** Albert Wertheim, 2000 Albert Wertheim's study of Fugard's plays is both extremely insightful and beautifully written. This book is aimed not only at teachers, students, scholars, and performers of Fugard but also at the person who simply loves going to see a Fugard play at the theatre. Nancy Topping, B.A. (Hons) in English Literature, Emerita Old Dominion University. Athol Fugard is considered one of the most brilliant, powerful, and theatrically astute of modern dramatists. The energy and poignancy of his work have their origins in the institutionalized racism of his native South Africa and more recently in the issues facing a new South Africa after apartheid. Albert Wertheim analyzes the form and content of Fugard's dramas, showing that they are more than a dramatic chronicle of South African life and racial problems. Beginning with the specifics of his homeland, Fugard's plays reach out to engage more far-reaching issues of human relationships, race, and racism, and the power of art to evoke change. *The Dramatic Art of Athol Fugard* demonstrates how Fugard's plays enable us to see that what is performed on stage can also be performed in society and in our lives.
