*Vegetarian Times*, 1981-09 To do what no other magazine does Deliver simple delicious food plus expert health and lifestyle information that's exclusively vegetarian but wrapped in a fresh stylish mainstream package that's inviting to all Because while vegetarians are a great vital passionate niche their healthy way of eating and the earth friendly values it inspires appeals to an increasingly large group of Americans VT's goal To embrace both *Elisa Michaels, Bigger and Better* Johanna Hurwitz, 2012-10-01 Now that Elisa is in second grade she's taking charge of whatever comes her way from a baby sitter who doesn't know how to change a diaper to an airplane trip without her parents Of course it's not easy taking charge when your big brother thinks you're too little and your little brother runs amok But Elisa is determined to make everything work out in the end And what better way to celebrate being seven and a half than a day of eating nothing but chocolate Chocolate cookies chocolate milk chocolate bars chocolate and more chocolate from morning to night With these delicious new episodes from the whirlwind life of Elisa Michaels Johanna Hurwitz entertains us once again with a vivid portrayal of family life as seen from four feet tall *Much Ado About Nothing?* Elisabetta Gualmini, Eleonora Pasotti, 2011-12 The year 2010 marked the halfway point for Silvio Berlusconi's fourth government with the solidity of its electoral mandate threatened on a number of occasions by strong clashes with the opposition ultimately leading to a divorce from Gianfranco Fini The upheaval that followed this rift dominated the second half of the year This volume examines not only this rift but also the important political and social events of a period full of polemics and tensions from the regional elections and the debate on fiscal federalism to the state of the opposition parties The political agenda was consumed by everyday matters such as the scandals surrounding the Civil Protection Service and the confrontations with the magistracy over phone tapping and appeared to lack any strategic planning for the longer term The reform of the university system was approved by a slim margin and still saw violent protests from its opponents Then all of the government's actions were restricted by a return to austerity policies Through the confidence vote of 14 December the government retained its tenuous hold on power and left a sense of much ado about nothing The crisis was averted but possibly only postponed and now there remains the unresolved increasingly chronic problems of a country that is limping along without growth more and more divided according to geographical areas social and professional categories and above all torn between generations **The ABC's of Writing for Children**, 2003 One hundred and fourteen authors and illustrators of children's books share the process of researching writing and publishing books discuss what their inspirations are and recount the best and worst advice they ever received
