Muck Luck and Determination Jeanne E. Sexson, 1984-11-01 *Down But Not Out* Jeanne E. Sexson, 1996 **The Power of Determination** John Langan, 2017 This collection tells the true stories of fourteen people who carry the following belief in their hearts I have taken charge of my life I am determined to do what is needed to grow and succeed in this world In the face of obstacles I will persist When I get knocked down I ll get back up The inspiring stories will increase your own resolve to pursue your dreams and live a proud and determined life Publisher Never Give Up! Lacey Lizard's Big Jump Hakim Hakim, 2017-08-17 Lacey Lizard learns to embrace her fears and how the power of believing in yourself can make anything possible Lacey helps us learn the benefits of determination and perseverance

Get Up and Try Again Margaret Melinda Henderson, 2021-06-21 There are many ways to deal with the disappointments that people face from day to day The giving up stage is the easy part The determination to succeed is the hard and sometimes scary part but will be worth the fight Some people choose to shut down give up and hide themselves from others From the beginning of time people have been conditioned to keep going with the promise and reassurance of something better to come thereby realizing that if you give up you will never know what could have been Therefore getting up and trying to find a solution instead of accepting defeat at the benefit of others will make the rise from the fall worthwhile Therefore no matter how small or great the problem a resolution must be acquired that you can live with and makes you happy This book depicts the life of one person who when all the odds seemed against her dug down and fought harder to gain and contain her status by renewing her strength and keeping her faith in God This books describes how every time she was knocked down she picked herself up brushed off the dirt and persevered until she made her situation work for her People will try to discourage someone from reaching a goal they have set for themselves The worst of that is that they lose out on what they could have accomplished But those people who were waiting for you to fail laugh will carry on to the next stage The best way to deal with trials and tribulations is to know that they are to test you not degrade you They are to prepare you for what s to come with a reward that is far greater than you would or could ever imagine *Unstoppable Determination to Win* VN.
