John A. Garraty, Mark C. Carnes

Mud Guts A Look At The Common Soldier Of The American Revolution:

Mud & Guts Bill Mauldin, United States. National Park Service. Division of Publications, 1978 **Mud and Guts** Bill Mauldin, 2018-07-31 Excerpt from *Mud and Guts A Look at the Common Soldier of the American Revolution* The average American in those days was about what he is today a small property owner who admired independence and occasionally was even known to practice it Then as today he resented being governed and taxed by a bunch of remote and powerful bureaucrats He grumbled a lot over little tyrannies such as stamp acts and tea taxes but a revolution The very word causes a shudder to run up the bourgeois spine and if there ever were and are two bourgeois societies they're England and America Most people would rather be moderately comfortable and safe than stand up and fight for an illusive term like independence It has been said that if there had been a back door in the Alamo there would be no Texas Likewise if the royal administrators who ran the colonies had had an ounce of sense and perception our hard nosed radicals such as Tom Paine would never have prevailed and there would have been no revolution or rebellion or whatever it was The British were really nuts to have let all this happen But that's the way things go when bureaucrats feel safe They become blind and arrogant Those were confusing times however It's easy today to say About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Mud & Guts* Bill Mauldin, 1978 **Mud & Guts** Bill Mauldin, 1978-07 Famous author and cartoonist Bill Mauldin's candid and humorous look at the American soldiers of the Revolutionary War Filled with frank text and amusing cartoons Mauldin pokes fun at the founders of our country and shows the life of the common soldier Chapters covered include citizens and soldiers rabble with rifles mud and guts biting the bullet the inner revolutionary and had George asked me Illustrations by the author *Mud and Guts* Gordon Press Publishers, 1997-06 *Mud and guts* William Henry Mauldin, 1978 *U.S. Government Books*, 1982 **Just for You**, 1981

The Archaeology of the American Revolution Richard F. Veit, Matthew A. Kalos, 2025-11-04 **The Virginia Giant: The True Story of Peter Francisco** Sherry Norfolk, Bobby Norfolk, 2014-08-01 The Virginia Giant a one man army Peter Francisco was believed to have had almost super human strength According to legend George Washington said Without him we would have lost two crucial battles perhaps the war and with it our freedom Francisco a Portuguese immigrant was raised outside Richmond and after hearing Patrick Henry's Give Me Liberty or Give Me Death speech he joined the Virginia Colonial Militia He was known for his battle hardened skills and his bravery at Brandywine Stony Point Camden and Guilford Courthouse led to stories of epic portions Join authors Bobby and Sherry Norfolk as they separate fact from myth on topics

ranging from pirates to redcoats to exciting acts of valor in this remarkable story of a true American hero **Washington's Crossing** David Hackett Fischer, 2006-02-01 Six months after the Declaration of Independence the American Revolution was all but lost A powerful British force had routed the Americans at New York occupied three colonies and advanced within sight of Philadelphia Yet as David Hackett Fischer recounts in this riveting history George Washington and many other Americans refused to let the Revolution die On Christmas night as a howling nor easter struck the Delaware Valley he led his men across the river and attacked the exhausted Hessian garrison at Trenton killing or capturing nearly a thousand men A second battle of Trenton followed within days The Americans held off a counterattack by Lord Cornwallis s best troops then were almost trapped by the British force Under cover of night Washington s men stole behind the enemy and struck them again defeating a brigade at Princeton The British were badly shaken In twelve weeks of winter fighting their army suffered severe damage their hold on New Jersey was broken and their strategy was ruined Fischer s richly textured narrative reveals the crucial role of contingency in these events We see how the campaign unfolded in a sequence of difficult choices by many actors from generals to civilians on both sides While British and German forces remained rigid and hierarchical Americans evolved an open and flexible system that was fundamental to their success The startling success of Washington and his compatriots not only saved the faltering American Revolution but helped to give it new meaning George Washington's Surprise Attack Phillip Thomas Tucker, 2016-08-23 Extensively researched and superbly argued in Tucker s compelling narrative this in depth examination of George Washington s military miracle at the Battle of Trenton unquestionably confirms the vital importance of that stunning victory Jerry D Morelock PhD editor in chief at Armchair General Like many historical events the American Revolution is sometimes overlooked ignored or minimized by historians because of common shrouding in romantic myth or interference from stubborn stereotypes Here historian Phillip Thomas Tucker provides an in depth look at the events of the Battle of Trenton weeding out fiction and legend and presenting new insights and analysis Stories from many forgotten individuals of the war including officers and soldiers from both sides bring to life the Continental Army s desperate circumstances and shocking victory Myths that Tucker debunks include the Hessians slovenly drunkenness Washington acting alone in creating the attack strategy and Rall s incompetence as a leader largely contributing to his troops defeat By exploring the forgotten aspects of one of America s most famous battles revealing Trenton s story proves to be even more fascinating In the end America s founding was nothing short of miraculous and no chapter of America s story was more miraculous than Washington s improbable success at the battle of Trenton where America s fate was decided to almost everyone s amazement on a dark snowy morning Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national

bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **National Park Service Handbooks** ,1999 Monthly Catalog of United States Government Publications United States. Superintendent of Documents,1978 February issue includes Appendix entitled Directory of United States Government periodicals and subscription publications September issue includes List of depository libraries June and December issues include semiannual index Monthly Catalogue, United States Public Documents ,1978 More Book Lust Nancy Pearl,2009-09-29 Whether you re searching for the perfect read for yourself or for a friend More Book Lust offer eclectic recommendations unlike those in any other reading guide available In this followup to the bestselling Book Lust popular librarian Nancy Pearl offers a fresh collection of 1 000 reading recommendations in more than 120 thematic intelligent and wholly entertaining reading lists For the friend wanting to leave her job Living Your Dream offers good armchair dreaming books about people who have left stodgy jobs to do what they love Are you a budding chef Fiction For Foodies includes books that sneak in a recipe or two along with a tantalizing plot For the James Bond wannabe Crime is a Globetrotter features crime novels set in various locations around the world such as Tibet Sweden and Sicily In the book s introduction Pearl jokes If we were at a twelve step meeting together I would have to stand up and say Hi I m Nancy P and I m a readaholic Booklist magazine plays off this obsession while echoing a sentiment of Nancy Pearl s fans everywhere A self confessed readaholic Pearl lets us benefit from her addiction May she never seek recovery Indeed **Federal Information Processing Standards Publication** , **American National Biography** John A. Garraty,Mark C. Carnes,2005-05-12 American National Biography is the first new comprehensive biographical dictionary focused on American history to be published in seventy years Produced under the auspices of the American Council of Learned Societies the ANB contains over 17 500 profiles on historical figures written by an expert in the field and completed with a bibliography The scope of the work is enormous from the earliest recorded European explorations to the very recent past **Reference Services Review** ,1973 **The Bookmark** ,1978
