it is a process of tidying up which from the nature of things cannot be regarded as premature The fact is that I wanted to do it myself because of a feeling that had nothing to do with the considerations of worthiness or unworthiness of the small but unbroken pieces collected within the covers of this volume Of course it may be said that I might have taken up a broom and used it without saying anything about it That certainly is one way of tidying up But it would have been too much to have expected me to treat all this matter as removable rubbish All those things had a place in my life Whether any of them deserve to have been picked up and ranged on the shelf this shelf I cannot say and frankly I have not allowed my mind to dwell on the question I was afraid of thinking myself into a mood that would hurt my feelings for those pieces of writing whatever may be the comment on their display appertain to the character of the man About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
