Notes On This Evenings Opera

Rosemary Doyle

Notes On This Evenings Opera:

A Night in at the Opera Jeremy Tambling, 1994 Offering an arresting range of accounts by specialists in music media and popular culture on how the popular arts have represented opera this book raises issues about the sociology of music and its implications for television and video culture Music News, 1929 **The Journals of Washington Irving** Washington Irving, 1919 Program Notes Chicago Symphony Orchestra, 1917 The volume for the 50th season 1940 41 includes Repertoire 1891 1941 62 p and Solists 1891 1941 5 p **The Spanish Note** Rosemary Doyle, 2023-11-20 In 1970 a university student named Sophie discovers a cache of old letters from Spain along with a love note in Spanish in her grandmother Maggie's attic Thus begins Sophie's long quest to solve the mystery of their origin The letters transport Sophie to 1913 when Maggie is reflecting on her studies as a nurse and her close relationship with two Spanish siblings Eduardo and Maria Cristina But who were these people How did their lives interweave with Maggie's and why has Sophie never heard of them As she digs deeper into the past she learns more about her grandmother's life and her ties to Eduardo The Spanish Note is a gripping romance that takes the reader through an epic saga of love friendship and family with a generous serving of history travel and exotic culture dosed with medical lore Eventually several generations of two families Canadian and Spanish across two continents are united as a result of Sophie's attempts to piece together the puzzle of Maggie's and Eduardo's long ago love affair *A Night at the Opera* Sir Denis Forman, 2011-10-05 Delightful and anti reverential Sunday Times London With an encyclopedic knowledge of opera and a delightful dash of irreverence Sir Denis Forman throws open the world of opera its structure composers conductors and artists in this hugely informative guide A Night at the Opera dissects the eighty three most popular operas recorded on compact disc from Cilea's *Adriana Lecouvreur* to Mozart's *Die Zauberflöte* For each opera Sir Denis details the plot and cast of characters awarding stars to parts that are worth looking out for really good or occasionally stunning He goes on to tell the history of each opera and its early reception Finally each work is graded from alpha to gamma although the Ring cycle gets an X and Sir Denis has no qualms about voicing his opinion the first act of *Fidelio* is a bit of a mess while the last scene of *Don Giovanni* towers above the comic finales of *Figaro* and *Cos* and whether or not it is Mozart's greatest opera it is certainly his most powerful finale The guide also presents brief biographies of the great composers conductors and singers A glossary of musical terms is included as well as Operatica or the essential elements of opera from the proper place and style of the audience's applause and boos to the use of subtitles A Night at the Opera is for connoisseurs and neophytes alike It will entertain and inform delight and perhaps infuriate providing a subject for lively debate and ready reference for years to come Off Broadway Musicals, 1910-2007 Dan Dietz, 2010-03-10 Despite an often unfair reputation as being less popular less successful or less refined than their bona fide Broadway counterparts Off Broadway musicals deserve their share of critical acclaim and study A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs from the ever popular *A Chorus Line* and *Rent* to

more off beat productions like Avenue Q and Little Shop of Horrors And while it remains to be seen if other popular Off Broadway shows like Stomp Blue Man Group and Altar Boyz will make it to the larger Broadway theaters their Off Broadway runs have been enormously successful in their own right This book discusses more than 1 800 Off Broadway Off Off Broadway showcase and workshop musical productions It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal selected musicals that opened in Brooklyn and in New Jersey and American operas that opened in New York along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan The typical entry includes the name of the host theater or theaters the opening date and number of performances the production s cast and creative team a list of songs a brief plot synopsis and general comments and reviews from the New York critics Besides the individual entries the book also includes a preface a bibliography and 21 appendices including a discography filmography a list of published scripts and lists of musicals categorized by topic and composer **Atkinson's Evening Post, and**

Philadelphia Saturday News ,1929 *Notes* Clifton J. Cate,Charles Cameron Cate,2005 Bearing his medical discharge from the fledgling American Expeditionary Force after only four months as a trainee in the 1st Massachusetts Ambulance Corps the author became one of thousands of American youths who sought adventure and validation by traveling North to offer their wartime services as members of the C E F His account finished in 1927 chronicles his brief U S Army experience and more extensively the next 20 months from the signing of his Attestation papers in September 1917 in Fredericton N B to his release from active duty at St John in May 1919 as a Canadian soldier Beginning with basic drill and an introduction to light artillery in Canada he moved on to more intensive training in England to become a charter member of an entirely new unit the 12th 6 inch howitzer Battery 3rd Brigade CGA Not just a record of combat in France the story encompasses a totality of military life as it impacted the author and his close companions He faithfully records battlefield and bivouac experiences anecdotes of both legal and unsanctioned absences in five countries the formation and shattering of close friendships of the strange realization of his having been wounded and gassed and his consequent hospitalization and recovery Following an unauthorized reunification with his Battery mates in Belgium he describes the boredom of post war occupation demobilization via Kinmel Park in Wales his return to Canada and finally the long and eagerly anticipated yet strangely abrupt and poignant emptiness that attended his return to civilian life The author s highly personal and well documented narrative is enhanced by the inclusion of letters written home numerous scans of photographs and memorabilia that survived his epoch journey as well as a number of original pen and ink drawings that complement his writing **The Saturday Evening Post** ,1925 **On Music** Benjamin Britten,2003 Benjamin Britten was a most reluctant public speaker Yet his contributions were without doubt a major factor in the transformation during his lifetime of the structure of the art music industry This book by bringing together all his published articles unpublished speeches drafts and transcriptions of numerous radio interviews explores the paradox of a reluctant yet influential cultural commentator artist and humanist Whether talking

about his own music about the role of the artist in society about music criticism or wading into a debate on Soviet ideology at the height of the cold war Britten always gave a performance which reinforced the notion of a private man who nonetheless saw the importance of public disclosure *Harry T. Burleigh* Jean E Snyder, 2016-03-01 Harry T Burleigh 1866 1949 played a leading role in American music and culture in the twentieth century Celebrated for his arrangements of spirituals Burleigh was also the first African American composer to create a significant body of art song An international roster of opera and recital singers performed his works and praised them as among the best of their time Jean E Snyder traces Burleigh s life from his Pennsylvania childhood through his fifty year tenure as soloist at St George s Episcopal Church in Manhattan As a composer Burleigh s pioneering work preserved and transformed the African American spiritual as a music editor he facilitated the work of other black composers as a role model vocal coach and mentor he profoundly influenced American song and in private life he was friends with Anton n Dvo k Marian Anderson Will Marion Cook and other America luminaries Snyder provides rich historical social and political contexts that explore Burleigh s professional and personal life within an era complicated by changes in race relations class expectations and musical tastes **The musical independent** ,1872

Music, Society, Agency Nancy November, 2024-02-20 Musicologists have increasingly taken a wide angled lens on the study of music in society to explore how it can be intertwined with issues of politics gender religion race psychology memory and space Recent studies of music in connection with society take in a variety of musical phenomena from diverse periods and genres medieval classical opera rock etc This ten chapter book not only asks how music and society are and have been intertwined and mutually influential but it also examines the agents behind these connections who determines musical cultures in society Which social groups are represented in particular musical contexts Which social groups are silenced or less well represented in music s histories and why **Congressional Record** United States. Congress, 1959 **The Spectator** George Atherton Aitken, 1898 **Shoe and Leather Reporter** ,1929 [Arias for Nancy Storace](#) Dorothea Link, 2002-01-01 xxv 122 pp [Pacific Coast Musical Review](#) ,1921 **Opera and Sovereignty** Martha Feldman, 2010-10-05 Performed throughout Europe during the 1700s Italian heroic opera or opera seria was the century s most significant musical art form profoundly engaging such figures as Handel Haydn and Mozart Opera and Sovereignty is the first book to address this genre as cultural history arguing that eighteenth century opera seria must be understood in light of the period s social and political upheavals Taking an anthropological approach to European music that s as bold as it is unusual Martha Feldman traces Italian opera s shift from a mythical assertion of sovereignty with its festive forms and rituals to a dramatic vehicle that increasingly questioned absolute ideals She situates these transformations against the backdrop of eighteenth century Italian culture to show how opera seria both reflected and affected the struggles of rulers to maintain sovereignty in the face of a growing public sphere In so doing Feldman explains why the form had such great international success and how audience experiences of the period differed from ours today Ambitiously interdisciplinary

Opera and Sovereignty will appeal not only to scholars of music and anthropology but also to those interested in theater dance and the history of the Enlightenment

Right here, we have countless books **Notes On This Evenings Opera** and collections to check out. We additionally have the funds for variant types and as well as type of the books to browse.
