Third Series Library of Congress. Copyright Office, 1973 *Come In and Hear the Truth* Patrick Burke, 2008-08 Between the mid 1930s and the late 40s the centre of the jazz world was a two block stretch of 52nd Street in Manhattan Dozens of crowded basement clubs played host to legends like Charlie Parker and Billie Holiday These clubs defied the traditional boundaries between art and entertainment and between the races King of the Half Hour David Everitt, 2001-03-01 Regarded by his contemporaries as one of television s premier comedy creators Nat Hiken was the driving creative force behind the classic 1950s and 1960s series Sgt Bilko and the hilarious Car 54 Where Are You King of the Half Hour the first biography of Hiken draws extensively on exclusive first hand interviews with some of the well known TV personalities who worked with him such as Carol Burnett Fred Gwynne Alan King Al Lewis and Herbert Ross The book focuses on Hiken s immense talent and remarkable career from his early days in radio as Fred Allen s head writer to his multiple Emmy winning years as writer producer director on television In addition to re establishing Hiken s place in broadcast history biographer David Everitt places him in the larger story of early New York broadcasting Hiken s career paralleled the rise and fall of television s Golden Age He embodied the era s best qualities craftsmanship a commitment to excellence and a distinctive uproariously funny and quirky sense of humor At the same time his uncompromising independence prevented him from surviving the changes in the industry that brought the Golden Age to an end in the 1960s His experiences bring a fresh and until now unknown perspective to the medium s most extraordinary period **The World on a Plate** Joel Denker, 2007-01-01 A food and travel writer draws on a series of interviews with ethnic food merchants including importers restaurateurs grocers vendors and manufacturers to explore the diverse ways in which immigrants from every corner of the world have transformed and shaped American culinary traditions Reprint The Rebel Café Stephen R. Duncan, 2018-11-01 An account of how the subterranean nightspots in 1950s New York and San Francisco became social cultural and political hothouses for left wing bohemians The art and antics of rebellious figures in 1950s American nightlife from the Beat Generation to eccentric jazz musicians and comedians have long fascinated fans and scholars alike In The Rebel Caf Stephen R Duncan flips the frame focusing on the New York and San Francisco bars nightclubs and coffeehouses from which these cultural icons emerged Duncan shows that the sexy smoky sites of bohemian Greenwich Village and North Beach offered not just entertainment but doorways to a new sociopolitical consciousness This book is a collective biography of the places that harbored beatniks blabbermouths hipsters playboys and partisans who altered the shape of postwar liberal politics and culture Touching on literary figures from Norman Mailer and Amiri Baraka to Susan Sontag as well as

performers ranging from Dave Brubeck to Maya Angelou to Lenny Bruce The Rebel Caf profiles hot spots such as the Village Vanguard the hungry i the Black Cat Cafe and the White Horse Tavern Ultimately the book provides a deeper view of 1950s America not simply as the black and white precursor to the Technicolor flamboyance of the sixties but as a rich period of artistic expression and identity formation that blended cultural production and politics What emerges in these pages is nothing less than a comprehensive psycho social geography of an underground counter culture of black and white jazz musicians leftists poets artists beatniks gays and lesbians and other people of the demi monde All About Jazz **Spiritual**

Misfit Michelle DeRusha, 2014 Offers the author's account of the loss of her Catholic faith how acknowledging her unbelief allowed her to truly begin her spiritual journey and how she came to see the possibility that faith uncertainty and doubt can coexist *Ordinary Resurrections* Jonathan Kozol, 2012-02-08 In a stirring departure from his earlier work Jonathan Kozol has written his most personal and hopeful book to date an energized and unexpected answer to the bleakness of Death at an Early Age the prize winning classic that he published more than 30 years ago Like his most recent book Amazing Grace this work also takes place in New York's South Bronx but it is a markedly different book in mood and vantage point because we see life this time through the eyes of children not as the author puts it from the perspective of a grown up man encumbered with a Harvard education Here too we see devoted teachers in a good but underfunded public elementary school that manages against all odds to be a warm inviting and protective place and we see the children also in the intimate religious setting of a church in which they are watched over by the vigilant grandmothers of the neighborhood and by a priest whose ministry is first and foremost to the very young A work of guarded optimism that avoids polemic and the fevered ideologies of partisan debate Ordinary Resurrections is a book about the little miracles of stubbornly persistent innocence in children who are still unsoiled by the world and still can view their place within it without cynicism or despair Sometimes playful sometimes jubilantly funny and sometimes profoundly sad they're sensitive children by and large complex and morally insightful and their ethical vitality denounces and subverts the racially charged labels that the world of grown up expertise too frequently assigns to them The author's personal involvement with specific children deepens as the narrative evolves A Jewish man now 63 years old he finds his own religious speculations growing interwoven with the moral and religious explorations of the children some of whom have been his friends for nearly seven years The children change of course from year to year as they learn more about the world but the author is changed also by the generous and tender ways in which the children step by step unlock their secrets and unveil the mysteries of their belief to him Salvation in these stories comes not from the promises of politicians or the claims of sociology but from the ordinary resurrections that take place routinely in the hearts of children We all lie down a theologian tells the author We all rise up We do this every day So too when given a fair chance do many of the undervalued urban children of our nation In this book we see some beautiful children as they rise and rise again *Thomas Merton and James Laughlin* Thomas Merton, James Laughlin, 1997 Cloistered in a remote Kentucky

monastery Thomas Merton struggled as a young man to reconcile his preferred contemplative life and his public passion for writing Here is the remarkable development of Thomas Merton monk poet and social critic as documented in nearly 30 years of correspondence with his mentor and publisher James Laughlin Madam Debby Applegate, 2021-11-02 The compulsively readable and sometimes jaw dropping story of the life of a notorious madam who played hostess to every gangster politician writer sports star and Cafe Society swell worth knowing and who as much as any single figure helped make the twenties roar from the Pulitzer Prize winning author of *The Most Famous Man in America* A fast paced tale of Polly s many court battles newspaper headlines mobster dealings and society gossip A breathless tale told through extraordinary research The New York Times Book Review Simply put Everybody came to Polly s Pearl Polly Adler 1900 1962 was a diminutive dynamo whose Manhattan brothels in the Roaring Twenties became places not just for men to have the company of women but were key gathering places where the culturati and celebrity elite mingled with high society and with violent figures of the underworld and had a good time doing it As a Jewish immigrant from eastern Europe Polly Adler s life is a classic American story of success and assimilation that starts like a novel by Henry Roth and then turns into a glittering real life tale straight out of F Scott Fitzgerald She declared her ambition to be the best goddam madam in all America and succeeded wildly Debby Applegate uses Polly s story as the key to unpacking just what made the 1920s the appallingly corrupt yet glamorous and transformational era that it was and how the collision between high and low is the unique ingredient that fuels American culture

The Sacred Gaze Susan R. Pitchford, 2014-04-07 Eight hundred years ago Clare of Assisi advised a correspondent to gaze into the mirror of the crucified Christ and study her own face within it A hundred years ago sociologist Charles Horton Cooley said we can know our self only as it is reflected to us by others Contemplation is the choice to find our reflection in the divine Mirror In *The Sacred Gaze* Susan Pitchford explores how a false self is created by distortions in the mirrors around us Drawing from the mystical and sociological traditions and with practical suggestions for how to begin Pitchford shows how gazing into the face of Christ can reveal to us who we really are When the true self is known and known as God s beloved the way is opened to radical freedom and joy *Karl Barth and Comparative Theology* Martha L.

Moore-Keish, Christian T. Collins Winn, 2019-08-06 Building on recent engagements with Barth in the area of theologies of religion *Karl Barth and Comparative Theology* inaugurates a new conversation between Barth s theology and comparative theology Each essay brings Barth into conversation with theological claims from other religious traditions for the purpose of modeling deep learning across religious borders from a Barthian perspective For each tradition two Barth influenced theologians offer focused engagements of Barth with the tradition s respective themes and figures and a response from a theologian from that tradition then follows With these surprising and stirringly creative exchanges *Karl Barth and Comparative Theology* promises to open up new trajectories for comparative theology Contributors Chris Boesel Francis X Clooney Christian T Collins Winn Victor Ezigbo James Farwell Tim Hartman S Mark Heim Paul Knitter Pan chiu Lai Martha L

Moore Keish Peter Ochs Marc Pugliese Joshua Ralston Anantanand Rambachan Randi Rashkover Kurt Richardson Mun im Sirry John Sheveland Nimi Wariboko *Human Rights* Makau Mutua, 2013-07-03 In 1948 the United Nations adopted the Universal Declaration of Human Rights and with it a profusion of norms processes and institutions to define promote and protect human rights Today virtually every cause seeks to cloak itself in the righteous language of rights But even so this universal reliance on the rights idiom has not succeeded in creating common ground and deep agreement as to the scope content and philosophical bases for human rights Makau Mutua argues that the human rights enterprise inappropriately presents itself as a guarantor of eternal truths without which human civilization is impossible Mutua contends that in fact the human rights corpus though well meaning is a Eurocentric construct for the reconstitution of non Western societies and peoples with a set of culturally biased norms and practices Mutua maintains that if the human rights movement is to succeed it must move away from Eurocentrism as a civilizing crusade and attack on non European peoples Only a genuine multicultural approach to human rights can make it truly universal Indigenous non European traditions of Asia Africa the Pacific and the Americas must be deployed to deconstruct and to reconstruct a universal bundle of rights that all human societies can claim as theirs

Conjectures of a Guilty Bystander Thomas Merton, 1968-01-09 In this series of notes opinions experiences and reflections Thomas Merton examines some of the most urgent questions of our age With his characteristic forcefulness and candor he brings the reader face to face with such provocative and controversial issues as the death of God politics modern life and values and racial strife issues that are as relevant today as they were fifty years ago *Conjectures of a Guilty Bystander* is Merton at his best detached but not unpassionate humorous yet sensitive at all times alive and searching with a gift for language which has made him one of the most widely read and influential spiritual writers of our time

Reaching Out Henri J. M. Nouwen, 2013-11-20 With clarity and depth characteristic of the classics this spiritual bestseller from the author of *The Return of the Prodigal Son* lays out a perceptive and insightful plan for the spiritual life and achieving the ultimate goal of that life union with God One of the world's greatest spiritual writers Christianity Today Henri Nouwen views our spiritual ascent as evolving in three movements The first from loneliness to solitude focuses on the spiritual life as it relates to the experience of our own selves The second from hostility to hospitality explores our spiritual life as a life for others The final movement from illusion to prayer offers penetrating thoughts on the most mysterious relationship of all our relationship with God Throughout Nouwen emphasizes that the more we understand and not simply deny our inner struggles the more we will be able to embrace a prayerful and genuine life that is also open to others needs *Reaching Out* is a rich book to be read reread pondered and shared It does not offer answers or solutions Nouwen cautions but is written in the conviction that the quest for an authentic Christian spirituality is worth the effort and the pain since in the midst of this quest we can find signs offering hope courage and confidence

Notes to Statutes of Indiana, 1914 *Merciful Meekness* Kerry Walters, 2004 Here is a clear concise and judicious examination of the bedrock

Christian moral principles of mercy and meekness that leads the author a professor of philosophy to affirm their essential integration if we are to become complete Christians Dr Walters redefines and synthesizes the Christian principles mercy and meekness together are virtues compatible complementary and essential to our pathway to union with Christ convincingly countering the Nietzschean philosophy that rejects their synthesis one or the other is possible but not both as incompatible inherently contradictory and morally repugnant Intended as a reference work for undergraduate students this spare book rooted in Scripture and Christian tradition the thought of Thomas Merton Henri Nouwen Ayn Rand and Friedrich Nietzsche including his polemics with the Sermon on the Mount is also helpful for the general reader in search of spiritual wholeness It is an effective counter guide to Christianity's naysayers **The Church Without Walls** Thomas S. Goslin, 1984 *Thomas Merton's Paradise Journey* Thomas Merton, William H. Shannon, 2010-07-15 A book which traces the development of the thoughts and writings of the 20th century Cistercian monk Thomas Merton on the subject of contemplation
