Loves Labour's Lost William Shakespeare, 1904 Love's Labour's Lost William Shakespeare, 2001-04 I feel that I have spent half my career with one or another Pelican Shakespeare in my back pocket. Convenience, however, is the least important aspect of the new Pelican Shakespeare series. Here is an elegant and clear text for either the study or the rehearsal room; notes where you need them and the distinguished scholarship of the general editors, Stephen Orgel and A. R. Braunmuller, who understand that these are plays for performance as well as great texts for contemplation. Patrick Stewart. The distinguished Pelican Shakespeare series, which has sold more than four million copies, is now completely revised and repackaged. Each volume features authoritative, reliable texts; high-quality introductions and notes; new, more readable trade-trim size; an essay on the theatrical world of Shakespeare and essays on Shakespeare's life and the selection of texts.

Off Broadway Musicals, 1910-2007 Dan Dietz, 2010-03-10 Despite an often unfair reputation as being less popular, less successful or less refined than their bona fide Broadway counterparts, Off Broadway musicals deserve their share of critical acclaim and study. A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs, from the ever-popular *A Chorus Line* and *Rent* to more off-beat productions like *Avenue Q* and *Little Shop of Horrors*. And while it remains to be seen if other popular Off Broadway shows like *Stomp*, *Blue Man Group* and *Altar Boyz* will make it to the larger Broadway theaters, their Off Broadway runs have been enormously successful.

in their own right This book discusses more than 1 800 Off Broadway Off Off Broadway showcase and workshop musical productions It includes detailed descriptions of Off Broadway musicals that closed in previews or in rehearsal selected musicals that opened in Brooklyn and in New Jersey and American operas that opened in New York along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan The typical entry includes the name of the host theater or theaters the opening date and number of performances the production s cast and creative team a list of songs a brief plot synopsis and general comments and reviews from the New York critics Besides the individual entries the book also includes a preface a bibliography and 21 appendices including a discography filmography a list of published scripts and lists of musicals categorized by topic and composer
