**Nothing Ever Breaks Except the Heart** Kay Boyle, 1966      *Short Story Index*, 1979      [Short Story Index: 1964-1968](#), 1969      **Kay Boyle, Artist and Activist** Sandra Whipple Spanier, 1986 This first critical assessment of Kay Boyle's long career is both a portrait of the artist and a perceptive appraisal of her work. Boyle has lent her cooperation and support to Spanier's efforts to gather biographical material. Particularly enriching for this study were several meetings and extensive correspondence between author and critic. Spanier draws on hundreds of pages of letters containing a wealth of new information about Boyle's life, works, literary relationships, and current activities. Boyle has provided Spanier with unpublished documents and works in progress, yellowed news clippings and book reviews, and detailed notes in which she reacted to this work. Balancing her role of biographer and critic, Spanier has created a vital, perceptive, and integrated study of the life and work of a remarkable woman. From publisher's description      *Thematic Guide to Popular Short Stories* Patrick A. Smith, 2002-10-30 Providing easy access to information on nearly 450 short stories, this unique guide surveys a wide spectrum of world literature, canonical works, and contemporary fiction. Librarians and teachers will find multiple purposes for this expertly compiled resource, which can be employed in much the same way as a standard bibliography. Educators will appreciate the concise annotations, arranged alphabetically by author, that form the core of this work. Insightful critical statements synthesize plot summaries and identify the thematic content of each short story. A theme guide utilizes the nearly 100 theme headings, matching those at the start of each entry, allowing the user to quickly locate story titles on related themes and construct reading lists based on individual interests and needs. Another component designed to aid librarians offers one bibliography that lists the anthologies from which the stories are drawn. Works Cited and one comprised of a number of recent anthologies that can be adapted for the classroom. Further Reading. In addition to the theme index, the general subject and author indexes make this a user-friendly and invaluable resource      **Complete Historical Handbook of the Pulitzer Prize System 1917-2000** Heinz-D.
