Orridge John Giorno and Brian Jones of the Rolling Stones None was touched more profoundly than William S. Burroughs who said admiringly of Gysin There was something dangerous about what he was doing It was Gysin who introduced the Rolling Stones to the exotica of Morocco and took Stones guitarist Brian Jones to Jajouka where he recorded the tribal musicians performing the Pipes of Pan It was Gysin who provided the hashish fudge recipe published in Alice B. Toklas' cookbook promising ecstatic reveries and extensions of one's personality on several simultaneous planes It was Gysin who introduced Burroughs to an automatic writing method called the cut up a literary progenitor to sampling And it was Gysin who developed with Ian Sommerville the Dream Machine a device that allowed people with the flick of a switch to access altered states of consciousness without drugs Working with the authorization of Gysin's literary executor William S. **Adapting the Beat Poets** Michael J. Prince, 2016-09-09 In the post World War II era authors of the beat generation produced some of the most enduring literature of the day More than six decades since work of the Beat Poets conjures images of unconventionality defiance and a changing consciousness that permeated the 1950s and 60s In recent years the key texts of Beat authors such as Allen Ginsberg William S. Burroughs and Jack Kerouac have been appropriated for a new generation in feature length films graphic novels and other media In *Adapting the Beat Poets* Burroughs Ginsberg and Kerouac on Screen Michael J. Prince examines how works by these authors have been translated to film Looking primarily at three key works Burroughs' *Naked Lunch* Ginsberg's *Howl* and

Kerouac's *On the Road* Prince considers how Beat literature has been significantly altered by the unintended intrusion of irony or other inflections Prince also explores how these screen adaptations offer evidence of a growing cultural thirst for authenticity even as mediated in postmodern works Additional works discussed in this volume include *The Subterraneans* *Towers Open Fire* *The Junky* *'s Christmas* and *Big Sur* By examining the screen versions of the Beat triumvirate's creations this volume questions the ways in which their original works serve as artistic anchors and whether these films honor the authentic intent of the authors *Adapting the Beat Poets* is a valuable resource for anyone studying the beat generation including scholars of literature film and American history **The Ballad of John Latouche** Howard Pollack, 2017-10-06

**Photography in the Middle: Dispatches on Media Ecologies and Aesthetics** Dean Lockwood, Rob Coley, 2016-10-31  
It's easy to forget there's a war on when the front line is everywhere encrypted in plain sight Gathered in this book's several chapters are dispatches on the role of photography in a War Universe a space and time in which photographers such as Hilla Becher Don McCullin and Eadweard Muybridge exist only insofar as they are a mark of possession in the sway of larger forces These photographers are conceptual personae that collectively fabulate a different kind of photography a paraphotography in which the camera produces negative abyssal flashes or endarkenment In his Vietnam War memoir *Dispatches* Michael Herr imagines a dropped camera receiving jumping and falling images images which capture the weird indivisibility of medium and mediated in a time of war The movies and the war the photographs and the torn bodies fused and exchanged Reporting from the chaos at the middle of things Herr invokes a kind of writing attuned to this experience Photography in the Middle eschewing a high theoretical mode seeks to exploit the bag of tricks that is the dispatch The dispatch makes no grand statement about the progress of the war Cultivating the most perverse implications of its sources it tries to express what the daily briefing never can Ports of entry in the script we're given odd and hasty little glyphs unhelpful rips in the cover story dispatches are futile dark intuitions an expeditious inefficacy They are bleak but necessary responses to an indifferent world in which any action whatever has little noticeable effect As luck would have it Photography in the Middle begins with some nasty accidents and extracts from the wreckage a few lessons learned Dusting itself off it ships out and puts up with a bunch of battle-scarred big gun photojournalists in the Holiday Inn of a typical world city Later it immerses itself within the leaked files of an enigmatic police cabal which detail the surveillance of conceptual photographers Bernd and Hilla Becher an operation that even extends to the duo's dreams Further back in time in 1897 we are invited to an inflammatory yet patchily documented public lecture given by the Titan Muybridge More than any other it is William Burroughs conceived here as a war photographer who is our tutelary figure hovering over all these pages in his attempt to map emergent vectors of mediation ever more intimate forms of control and accelerants of planetary catastrophe Burroughs believed that it was necessary to both keep pace with and formulate new vectors vectors that might act as intersections with a nonhuman outside Photography has an agency of its own one that scrambles the patterns and refrains of mediation upon which human life is based glitching the human and provoking relations with external coordinates With Burroughs and other

inspirations such as J G Ballard Georges Bataille Tom McCarthy and Eugene Thacker our notion of the dispatch does not offer positive knowledge of something that we can reconcile with existing rational explanations but rather the revelation of a night side our redundancy in a photography that suspends all operations in a general blindness Sister Stardust Jane Green, 2022-04-05 NATIONAL BESTSELLER A PARADE MOST ANTICIPATED BOOK OF THE YEAR A NEW YORK POST BEST BOOK OF THE WEEK In her first novel inspired by a true story Jane Green re imagines the life of troubled icon Talitha Getty in this transporting story from a forgotten chapter of the Swinging 60s From afar Talitha s life seemed perfect In her twenties and already a famous model and actress she moved from London to a palace in Marrakesh with her husband Paul Getty the famous oil heir There she presided over a swirling ex pat scene filled with music art free love and a counterculture taking root across the world When Claire arrives in London from her small town she never expects to cross paths with a woman as magnetic as Talitha Getty Yearning for the adventure and independence she s swept off to Marrakesh where the two become kindred spirits But beneath Talitha s glamorous facade lurks a darkness few can understand As their friendship blossoms and the two grow closer the realities of Talitha s precarious existence set off a chain of dangerous events that could alter Claire s life forever Rebel Rebel Chris O'Leary, 2015-03-27 David Bowie every single song Everything you want to know everything you didn t know David Bowie remains mysterious and unknowable despite 45 years of recording and performing His legacy is roughly 600 songs which range from psychedelia to glam rock to Philadelphia soul from avant garde instrumentals to global pop anthems Rebel Rebel catalogs Bowie s songs from 1964 to 1976 examines them in the order of their composition and recording and digs into what makes them work Rebel Rebel is an in depth look at Bowie s early singles and album tracks unreleased demos session outtakes and cover songs The book traces Bowie s literary film and musical influences and the evolution of his songwriting It also shows how Bowie exploited studio innovations and the roles of his producers and supporting musicians especially major collaborators like Brian Eno Iggy Pop and Mick Ronson This book places Bowie s music in the context of its era Readers will discover the links between Kubrick s 2001 and Space Oddity how A Clockwork Orange inspired Suffragette City The pages are a trip through Bowie s various lives as a young man in Swinging London a Tibetan Buddhist a disillusioned hippie a rock god and a Hollywood recluse With a cast of thousands including John Lennon William S Burroughs Andy Warhol and Cher On and Off the Page Ari J.
