Nothing Like A Dame:

There Is Nothing Like a Thane! Clive Francis, 2013-07-16 *There is Nothing Like a Thane* is a follow up to Clive Francis's highly successful *There is Nothing Like a Dane*. The *Lighter Side of Hamlet Thane* is a hilarious compilation of unintentional funny moments from a variety of productions of *Macbeth* interwoven with Francis's witty caricatures. It also delves into the many superstitions which have dogged the play since 1603, making it possibly the unluckiest play ever written. We hear of how some actors fared better than others when playing the role of the Thane. If Ralph Richardson's was the worst, Peter O'Toole's was certainly the funniest. Olivier was deemed the greatest, John Gielgud the most successful, and Charles Laughton the silliest. We also hear from Orson Welles, David Garrick, Charles Dickens, and William McGonagall, who refused to die for fear of upsetting his audience. Not to be outdone, we shall hear from a number of *Lady Macbeths* as well, including Sybil Thorndike, who'd pray every night in the wings so as to ward away evil spirits. This is a book for all those who love the theater, especially the Bard.

Nothing Like a Dame Eddie Shapiro, 2014-03 *Nothing Like a Dame* captures the stories and insights of the greatest living female actors of the American musical theatre in new exclusive interviews, accompanied by a terrific selection of photographs of the women in iconic roles.

Our Dumb Century Scott Dikkers, 2007 The staff of *The Onion* presents a satirical collection of mock headlines and news stories, including an account of the Pentagon's development of an A-bomb resistant desk for schoolchildren.

From virtue to venality Peter Jones, 2016-05-16 *From virtue to venality* examines the problem of corruption in British urban society and politics between 1930 and 1995. It is not a conventional study of the politics of local government, since it seeks to place corruption in urban societies in a wider cultural context. The accounts of corruption in Glasgow, a British Chicago, as well as the major corruption scandals of John Poulson and T. Dan Smith, show how Labour controlled towns and cities were especially vulnerable to corrupt dealings. By contrast, the case of Dame Shirley Porter in the City of Westminster in the late 1980s reveals that Conservative controlled councils were also vulnerable, since in London the stakes of the political struggle were especially intense. This book will be of special interest to students of history and politics, and those who are concerned about the growth of corruption in British political culture.

Slammer Days George Sylvester Viereck, Jack Woodford, 2007-11

Armed Forces Robert Eberwein, 2007-06-13 In war films, the portrayal of deep friendships between men is commonplace. Given the sexually anxious nature of the American imagination, such bonds are often interpreted as carrying a homoerotic subtext. In *Armed Forces*, Robert Eberwein argues that an expanded conception of masculinity and sexuality is necessary in order to understand more fully the intricacy of these intense and emotional human relationships. Drawing on a range of examples from silent films such as *What Price Glory* and *Wings* to sound era works like *The Deer Hunter*, *Platoon*, *Three Kings*, and *Pearl Harbor*, he shows how close readings of war films, particularly in relation to their cultural contexts, demonstrate that depictions of heterosexual love, including those in romantic triangles, actually help to define and clarify the nonsexual nature of male love. The book also explores the problematic aspects

of masculinity and sexuality when threatened by wounds as in *The Best Years of Our Lives* and considers the complex and persistent analogy between weapons and the male body as in *Full Metal Jacket* and *Saving Private Ryan* *Stepping Outside the Secrets* Elaine A. Hodge, 2015-02-27 *Stepping Outside the Secrets* is a memoir self help book about a psychologist's triumph over betrayals secrets and sexual abuse with all their devastating consequences and her emergence into a life of deep spirituality and service *Maggie Smith* Caroline Fevrier, 2018-03-26 Dame Maggie Smith stands as a remarkable example of the concomitance in a performer's career of typecasting and characterisation that is the ability to impersonate against type infinitely various screen or stage characters This book of appreciation essentially aims at correcting the preconceived image that the general public has of Dame Maggie Smith Focusing on the last twenty five years it examines through the many parts she has played since the early 1990s her ability to go beyond typecasting and give thanks to her chameleon skills nuanced and convincing portrays of infinitely diverse characters From *The Importance of Being Earnest* to *Gosford Park* and *Becoming Jane* to *Downton Abbey* and *Sister Act* to *The Last September* and the Harry Potter saga Dame Maggie Smith has had a wide spanning career in TV and Film Not to mention her theatrical work on the stage Author Caroline Fevrier lives in Paris France and has a passion for theatre and performing Caroline holds a PhD in Literature and Humanities and an MA in Literature and Drama She was also trained as a professional performer and has been involved in several stage productions and short movies Caroline regularly gives lectures on theatre and performance to academic audiences and had published several books on literature and humanities and now focuses closely on the performing arts

democratic culture As they taught their laconic male counterparts most notably those appealing but tongue tied American icons Gary Cooper Henry Fonda and James Stewart the power and pleasures of speech they also reimagined the relationship between the sexes In such films as Bringing Up Baby The Awful Truth and The Lady Eve the fast talking dame captivated moviegoers of her time For audiences today DiBattista observes the sassy heroine still has much to say **Quizzing**
