## **Nothing But A Fine Tooth Comb:**

Rosenfeld's Lives Steven J. Zipperstein, 2009-04-01 Born in Chicago in 1918 the prodigiously gifted and erudite Isaac Rosenfeld was anointed a genius upon the publication of his luminescent novel *Passage from Home* and was expected to surpass even his closest friend and rival Saul Bellow Yet when felled by a heart attack at the age of thirty eight Rosenfeld had published relatively little his life reduced to a metaphor for literary failure In this deeply contemplative book Steven J Zipperstein seeks to reclaim Rosenfeld's legacy by opening up his work Zipperstein examines for the first time the small mountain of unfinished manuscripts the writer left behind as well as his fiercely candid journals and letters In the process Zipperstein unearths a turbulent life that was obsessively grounded in a profound commitment to the ideals of the writing life Rosenfeld's *Lives* is a fascinating exploration of literary genius and aspiration and the paradoxical power of literature to elevate and to enslave It illuminates the cultural and political tensions of post war America Jewish intellectual life of the era and most poignantly the struggle at the heart of any writer's life *The Life of Saul Bellow* Zachary Leader, 2015 Professor Leader marks the centenary of Bellow's birth with an account of the novelist's life The biography will be published in two volumes **The Alabama Folk Lyric** Ray Broadus Browne, 1979 Alabamians have always been a singing people The settlers who moved into the various sections of the state brought with them songs which reflected their national origins and geographical backgrounds and as they spread into the hills and over the lowlands they created new songs out of the conditions under which they lived Also they absorbed songs from outside sources whenever these pieces could be adapted to their sentiments and ways of life Thus by a process of memory composition and recreation they developed a rich body of folk songs The following collection a part of the effort to discover and preserve these songs Nothing Chick Gallin, 2012-07-13 Follow the NYPD FBI and the Department of Defense while they mount an all out search for a band of relentless killers hired by an international syndicate to invade homes of high level executives and steal their top secret information The intrepid detectives of the NYPD combined with a beautiful FBI agent have no leads until a young victim provides vital clues that bring down not only the band of killers but the syndicate itself The exciting climax will leave the readers wanting more

Unmasked Ian Halperin, 2009-07-20 In late December 2008 Ian Halperin told the world that Michael Jackson had only six months to live His investigations into Jackson's failing health made headlines around the globe Six months later the King of Pop was dead Whatever the final autopsy results reveal it was greed that killed Michael Jackson Friends and associates paint a tragic picture of the last years and days of his life as Jackson made desperate attempts to prepare for the planned concert series at London's O2 Arena in July 2009 These shows would have earned millions for the singer and his entourage but he could never have completed them not mentally and not physically Michael knew it and his advisors knew it Anyone who caught even a fleeting glimpse of the frail old man hiding beneath the costumes and cosmetics would have understood that the London tour was madness Why did it happen this way After an intense five year investigation New York Times bestselling
