Nothing But Blue Skies Postal Cards:

Nothing But Blue Skies Tom Holt, 2024-09-24 Trouble arises for a dragon living as a British real estate agent when her father arrives for a visit in this humorous fantasy There are many reasons why British summers are either non-existent or alternatively held on a Thursday Many of these reasons are either scientific mad or both but all of them are wrong especially the scientific ones The real reason why it rains perpetually from January 1st to December 31st is of course irritable Chinese Water Dragons Karen is one such legendary creature Ancient noble nearly indestructible and for several wildly improbable reasons working as a real estate agent Karen is irritable quite a lot of the time But now things have changed and Karen is no longer irritable She is furious Perfect for fans of Douglas Adams or Terry Pratchett *Nothing but Blue Skies* Thomas McGuane, 2013-02-06 A ruefully funny novel of embattled manhood set in Big Sky Country by the highly acclaimed author of *Ninety-two in the Shade* and *Cloudbursts* with writing so dazzlingly acute and seemingly effortless that it infuses *Nothing but Blue Skies* with exuberance and wit Chicago Tribune This high spirited and fiercely lyrical novel chronicles the fall and rise of Frank Copenhaver a man so unhinged by his wife's departure that he finds himself ruining his business falling in love with the wrong woman and wandering the lawns of his neighborhood desperate for the merest glimpse of normalcy The result is a Montana where cowboys slug it out with speculators a cattleman's best friend may be his insurance broker and love and fishing are the only consolations that last Vibrant with the pleasures of ironic language play and chase and quick with broken hearted humor Los Angeles Times Book Review *Grk* Joshua Doder, 2009 While vacationing in the Seychelles Tim discovers a well guarded private island where he learns of a devious plot that threatens the endangered local giant tortoise

A Hill and the Blue Sky Kwok Hon Kai, 2013-08 It is about a boy who went through an extraordinary childhood surviving the Japanese occupation of Penang He encountered a strange event during that time He heard the bleating of a kid goat that died three days before It could be called a vision or a calling but thus the event influenced the rest of his life Though not born of Christian parents he embraced Christianity when he came of age He was unexpectedly called to holy office and ordained as a priest of the Anglican Church He was also unexpectedly sent to China by the Asia Pacific Telecommunity in 1986 to lecture in Rural Telephone Development It was at a time when all Malaysian Chinese around his age were barred from visiting China The story ends with his unexpected meeting of the Queen of England at the Cathedral of St Mary the Virgin Kuala Lumpur in October 1989 **Flying Through Midnight** John T. Halliday, 2005-11-01 Riveting novelistic and startlingly candid John T Halliday's combat memoir begins in 1970 when Halliday has just landed in the middle of the Vietnam War primed to begin his assignment with the 606th Special Operations Squadron But there is a catch He is stationed in a kind of no man's land No one on his base flies with ID patches or rank Even as Richard Nixon firmly denies reporters charges that the United States has forces in Laos Halliday realizes that from his base in Thailand he will be flying top secret black ops night missions over the Laotian Ho Chi Minh Trail A naive yet thoughtful twenty four year old Halliday

was utterly unprepared for the horrors of war On his first mission Halliday's C 123 aircraft dodges more than a thousand anti-aircraft shells and that is just the beginning Nothing is as he expected not the operations not the way his shell shocked fellow pilots look and act and certainly not the squadron's daredevil seat of one's pants approach to piloting But before long Halliday has become one of those seasoned and shell shocked pilots and finds himself in a desperate search for a way to elude certain death Using frank true to life dialogue potent imagery and classic 1970s song lyrics Halliday deftly describes the fraught Laotian skies and re-creates his struggle to navigate the frustrating Air Force bureaucracy the deprivations of a remote base far from home and his young wife and his fight to preserve his sanity The resulting nonfiction narrative vividly captures not only the intricate distorted culture of war but also the essence of the Vietnam veteran's experience of this troubled era A powerhouse fusion of pathos and humor brutal realism and intimate reflection *Flying Through Midnight* is a landmark contribution to war literature revealing previously top secret intelligence on the 606th's night missions Fast paced thrilling and bitingly intelligent Halliday illuminates it all the heart pounding air battles the close friendships the crippling fear and the astonishing final escape that made the telling of it possible **Adventures in London** James Douglas, 1909
