

A pathfinder's job is hard enough – blazing trails  
where there are none, guided by nothing but hearsay  
and gut. While you're hacking your way through  
bracken, worrying about lurking beasts, all you can do  
is hope you had chosen the right direction.

## Nothing But Hearsay:

**Hearsay's Victims** Lewis Sano, 2019-09-09 The author has chosen to show the plight of ordinary men women and children caught in the turmoil of human madness One by one the main characters tell their harrowing stories to a listening priest Then follows explanation of the psychological effects on emotionally damaged psyche because there is an aftermath We can imagine that the purpose of this book is healing of the emotional pain that of the author and that of the public who have witnessed these horrors This is not an easy read Emotions run high Nothing is spared to the reader One is reminded of the Marquis de Sade or Kafka in extremism of the ordeal man is made to endure Death in this book becomes a person exacting its measure on the innocent and the not so innocent The Hutu are not the only ones to blame Colonization of the country has had its effect on the different ethnic groups in Cyacu And yet the book is not about hatred and revenge It is about love thy enemy and forgiveness Man s greatness is in rising above the circumstances that drag him down

Waugh, 2014-06-03 This is a book about God Not just any god but the god that created Adam and Eve the god of Abraham the god of the Jews the god of the Christians and the god of Islam without a doubt the most influential figure in the history of human civilization But what do we really know about him Who is he Where did he come from What does he look like What sort of character does he have What if anything does he eat Does he have a family In what ways can he be said to even exist at all Alexander Waugh has been asking questions like these for as long as he can remember Now having drawn from an

enormous range of sources from the sacred books of the Torah the Christian New Testament and the Islamic Qur'an from the Greek Apocrypha and the ancient texts of Nag Hammadi to the Dead Sea Scrolls he has sought out the answers Using material gleaned from the diverse writings of saints rabbis historians prophets atheists poets and mystics he has molded his findings into a singular striking biographical portrait of God Erudite perceptive and entertaining God reveals many startling and unexpected characteristics of the divine being From the simple stories of Genesis and Job explored from God's own viewpoint to the prophecies of Muhammad and Sybil and the intricate philosophies of Newton and Nietzsche Alexander Waugh has left no stone unturned in his compulsive mission to create a fascinating and complex portrait of God as humans have claimed to understand him **Supreme Court** , Court of Appeals: New York: Vol.118 Court of Appeals,
