Postcards from Absurdistan Derek Sayer, 2022-11-01 A sweeping history of a twentieth century Prague torn between fascism communism and democracy with lessons for a world again threatened by dictatorship Postcards from Absurdistan is a cultural history of Prague from 1938 when the Nazis destroyed Czechoslovakia's artistically vibrant liberal democracy to 1989 when the country's socialist regime collapsed after more than four decades of communist party rule Derek Sayer shows that Prague's twentieth century far from being a story of inexorable progress toward some end of history whether fascist communist or democratic was a tragicomedy of recurring nightmares played out in a land Czech dissidents dubbed Absurdistan Situated in the eye of the storms that shaped the modern world Prague holds up an unsettling mirror to the absurdities and dangers of our own times In a brilliant narrative Sayer weaves a vivid montage of the lives of individual Praguers poets and politicians architects and athletes journalists and filmmakers artists musicians and comedians caught up in the crosscurrents of the turbulent half century following the Nazi invasion This is the territory of the ideologist the collaborator the informer the apparatchik the dissident the outsider the torturer and the refugee not to mention the innocent bystander who is always looking the other way and Vclav Havel's greengrocer whose knowing complicity allows the show to go on Over and over Prague exposes modernity's dreamworlds of progress as confections of kitsch In a time when democracy is once again under global assault Postcards from Absurdistan is an unforgettable portrait of a city that illuminates the predicaments of the modern world *Off Broadway Musicals, 1910-2007*

Dan Dietz, 2010-03-10 Despite an often unfair reputation as being less popular less successful or less refined than their bona fide Broadway counterparts Off Broadway musicals deserve their share of critical acclaim and study A number of shows originally staged Off Broadway have gone on to their own successful Broadway runs from the ever popular A Chorus Line and Rent to more off beat productions like Avenue Q and Little Shop of Horrors And while it remains to be seen if other popular Off Broadway shows like Stomp Blue Man Group and Altar Boyz will make it to the larger Broadway theaters their Off Broadway runs have been enormously successful in their own right This book discusses more than 1 800 Off Broadway Off Broadway showcase and workshop musical productions It includes detailed descriptions of Off Broadway musicals that

closed in previews or in rehearsal selected musicals that opened in Brooklyn and in New Jersey and American operas that opened in New York along with general overviews of Off Broadway institutions such as the Light Opera of Manhattan The typical entry includes the name of the host theater or theaters the opening date and number of performances the production's cast and creative team a list of songs a brief plot synopsis and general comments and reviews from the New York critics Besides the individual entries the book also includes a preface a bibliography and 21 appendices including a discography filmography a list of published scripts and lists of musicals categorized by topic and composer *Postcards from Summer* Cynthia Platt, 2023-07-25 Seventeen year old Lexi travels to her late mother's majestic summertime home to learn of the romance and the tragedy that changed her life forever *A Postcard History of the Passenger Liner* Christopher Deakes, 2023-10-01 From around 1880 for almost a hundred years shipowners commissioned a wealth of paintings that depicted their magnificent liners as well as the routes they travelled their exotic destinations and life onboard These paintings rich in imagination and atmosphere appeared on postcards and posters of the day and were used to advertise the companies and their ships and so was born a whole genre that produced tens of thousands of paintings which formed a wonderful record of the great era of the passenger liner In 1900 there were over thirty shipping companies operating passenger liners across the North Atlantic Other oceans were similarly served But now with just a few exceptions the companies and their liners have disappeared along with the art they once inspired Little remains to recall this aspect of our maritime past except the postcards and they tell an evocative story of the vanished world of elegant ships and leisurely travel of social and political times much changed by the history of the past century Here brought vividly to life in more than 500 colourful postcards are the ships on which so many of our predecessors sailed as emigrants soldiers administrators or simply as tourists in days long past These cards which are now highly collectable show how steamships developed over the years but they are also a fine tribute to the artists who painted them This volume also includes a glossary of some 170 illustrators which forms an important reference section and advice on collecting **Postcards to Father Abraham** Catherine Lewis, 2000 When sixteen year old Meghan loses her leg to cancer and her brother to Vietnam she expresses intense anger in postcards which she writes to her idol Abraham Lincoln *Dewey and Elvis* Louis Cantor, 2010-10-01 Beginning in 1949 while Elvis Presley and Sun Records were still virtually unknown and two full years before Alan Freed famously discovered rock n roll Dewey Phillips brought the budding new music to the Memphis airwaves by playing Howlin Wolf B B King and Muddy Waters on his nightly radio show Red Hot and Blue The mid South's most popular white deejay Daddy O Dewey soon became part of rock n roll history for being the first major disc jockey to play Elvis Presley and subsequently to conduct the first live on air interview with the singer Louis Cantor illuminates Phillips's role in turning a huge white audience on to previously forbidden race music Phillips's zeal for rhythm and blues legitimized the sound and set the stage for both Elvis's subsequent success and the rock n roll revolution of the 1950s Using personal interviews documentary sources and oral

history collections Cantor presents a personal view of the disc jockey while restoring Phillips's place as an essential figure in rock n roll history **San Francisco** ,1974 **It's Not the Fall That Kills You...It's the Sudden Stop!
