Discover Yourself Cally Cussons, PhD, 2014-07-18 DISCOVER YOURSELF is a captivating book by a man who had every raw material to manufacture excuses and give up on life Having challenged his challenges the author indirectly relives his challenges and shares how he conquered them The book vividly gives you practical and proven strategies on how to conquer yourself and achieve success in all areas of your life Discover Yourself helps the reader make practical sense of the seeming conundrum called life The reader immediately finds answers to these questions Why Why Not Why Not Me Why Not Now The principles enunciated in this book are novel yet timeless and fundamental The principles turn your ideas into results your end of the road to a bend in the road and your obvious disadvantage to advancement It turns the reader from a chameleon taking colour from the environment to a painter putting colour in the environment This book teaches that life is a wrapped gift It also shows the reader how to unwrap the gift successfully **The Power of Truth in Perilous Times** Marcus E. Drake, 2024-09-25 Real Hope in the Midst of a Culture Gone Awry Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking about the extraordinary impact biblical truth can have on our society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God's Word as we live in a confused and deteriorating culture Rather than simply decrying the devastating changes in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything *You Can Master Your Fear* Magdalena Scopelitis, 2012-06-26 Be the master of your fear and you can rule over your life Fear is the only obstacle between you and your dreams between you and what you most love So says Archangel Raphael who in this series of channelings unravels the mysteries of fear and through its darkest paths guides you step by step up to the glade of love He helps you tear away fears masks one by one till you come to know its real face only then does he teach you the ways to transmute it into love thus eliminating its disastrous implications According to Archangel Raphael fear shows that somewhere in the deepest part of your being you have chosen hatred versus love and your life cannot have real meaning Only when your fear is transformed can real life happen to you The end of your fear will signal the beginning of your life Until that day comes you will have just lived in a lie in an illusion I am only asking you to give me your fear Archangel Raphael adds and

I will give back to you your love the most precious gift you ever had      **It's Do-Able!** Canaan Mashonganyika,2013-04-22

Limiting beliefs tell you that now isn't the right time Conditions will be more favourable in the future When you are richer or older and more mature then you will be ready for change The only thing holding you back is your beliefs When you believe that you are stuck where you are change becomes impossible Now is the best time to start working on your dreams Each day is a new opportunity to be all that you can be and do all that you can do What you do today is crucial because you are trading a day of your life for it Remember time is the most precious non renewable resource that you have When time has passed its gone forever When you waste time you have wasted part of your life Your seconds minutes and hours are the measurement of your existence The scales of life are always in balance You always get back exactly what you give If you work for only one hour on your goals life gives you back only one hour of your dreams Moving towards your destiny is a choice There is no reason to wait Your life must count for something good This book provides the tools for discovering your talent and field of calling You will be challenged to re define your purpose in life      Panorama H.
