

The background of the slide is a photograph of a mountain range at sunset or sunrise. The sky is filled with clouds, illuminated from below by the sun, creating a warm orange and yellow glow. The mountains in the foreground are dark and silhouetted against the bright sky. The overall mood is contemplative and inspiring.

Remember: nothing should
appear as an expense unless it
satisfies the test of consumption.

Nothing Is As It Should Be:

The Way of Nothing Paramananda Ishaya, 2014-01-31 Though it is simple and obvious you may not understand the incredible importance of the way of nothing When you do see the way you will wonder Can it really be this easy and simple And seeing that there was never anything in the way of freedom can almost be embarrassing How could I have never seen it you ll ask The Way of Nothing Nothing in the Way explores the obstacles that stop you from reaching your highest desires enlightenment eternal peace or simply ordinary contentment These obstacles are nothing more than concepts you have that seem real yet they vanish with insight into the way It is a wonderful surprise to discover that there has always been nothing in the way of what you want Best of all there is really nothing to it *John Stuart Mill* John Cunningham Wood, 1991

Bonnette,2012-12-06 The purpose of this study is to investigate the legitimacy of the principle The per accidens necessarily implies the per se as it is found in the writings of St Thomas Aquinas Special emphasis will be placed upon the function of this principle in the proofs for God's existence The relevance of the principle in this latter context can be seen at once when it is observed that it is the key to the solution of the well known problem of infinite regress The investigation of the principle in question will be divided into two Parts A preliminary examination of the function of the principle will be made

in Part I Domains Other Than That of Creature God The domains to be considered in this Part are those of accident substance change and knowledge Employing what is learned of the function of the principle in these areas of application Part II The Domain of Creature God will analyze the role of the principle in the proofs for God s existence This latter Part will constitute the greater portion of the book since the domain of creatures in their relation to God is the most significant application of the principle in the writings of St Thomas In the course of this investigation relevant analyses by St Thomas commentators both classical and contemporary will be considered Finally in light of the insights offered by St **Congressional Record** United States.
