Les Rapports Judiciaires de Québec Québec (Province). Superior Court,1896 **Les recueils de jurisprudence du Québec, publiés par le Barreau de Québec** Québec (Province). Superior Court,1896 The Mystical Geography of Quebec Susan J. Palmer,Martin Geoffroy,Paul L. Gareau,2020-03-02 This study of new religious movements in Quebec focuses on nine groups including the notoriously violent Solar Temple the iconoclastic Temple of Priapus and the various Catholic schisms such as those led by a mystical pope the Holy Spirit incarnate or the reappearance of the Virgin Mary Eleven contributing authors offer rich ethnographies and sociological insights on new spiritual groups that highlight the quintessential features of Quebec s new religions sectes in the francophone media The editors argue that Quebec provides a favorable ecology for alternative spirituality and explore the influences behind this situation the rapid decline of the Catholic Church after Vatican II the Quiet Revolution a utopian faith in Science the 1975 Charter of Human Rights and Freedoms and an open immigration that welcomes diverse faiths The themes of Quebec nationalism found in prophetic writings that fuel apocalyptic ferment are explored by the editors who find in these sectarian communities echoes of Quebec s larger Sovereignty movement **The State of the Art in Small Business and Entrepreneurship** Pierre-Andre Julien,2018-11-08 Published in 1998 This text is designed as not only a summary of a number of years of reflections by many different researchers but also a guide for future research and for continuing development of a theory of small business and its environment a theory that will apply to small businesses everywhere and that will help them become what they hope to be in the 21st century **Quebec's Eastern Townships and the World** Cheryl Gosselin,Andrew C. Holman,Christopher Kirkey,2025-03-04 The Eastern Townships of Quebec are celebrated in popular discourse as a charming and remote nature playground for busy Montrealers an appendage to stately Quebec City and a northern abutment to the Northeast Kingdom of the United States A closer look reveals a region with its own gravity sense of being and worldly connections Quebec s Eastern Townships and the World examines the region s direct links to larger prevailing international forces and identities Here the Eastern Townships take centre stage as the reader encounters the vibrancy of a place marked not by its insularity but by its long history a central meeting ground shaped by its many engagements with the world The book provides new perspectives on compelling and significant topics in Townships history and culture including Indigenous land use the mobility of peoples to and from the region linguistic diversity economic production education sport religion and culture in myriad forms These studies recast the Eastern Townships as a centre a borderland a lieu de passage between nations communities and peoples Featuring original and compelling insights Quebec s Eastern Townships and the World confirms that this beautiful region was and is a global place one intimately connected to the world **The Social History of Ideas in**

Quebec, 1760-1896 Yvan Lamonde, 2013-05-01 In *The Social History of Ideas in Quebec 1760 1896* Yvan Lamonde traces the province's political and intellectual development from the British Conquest to the election of Prime Minister Wilfrid Laurier. From the individuals who formulated them to the networks in which they circulated to their reception, Yvan Lamonde focuses on ideas at work and their role in shaping Quebec history. The mapping of a complete intellectual circuit allows Lamonde to follow the strains of ideological debates: monarchism, liberalism, republicanism, democracy, revolution, ultramontanism, nationalism over more than a century. His work is informed by an encyclopaedic reading of the print culture of the period and the book conveys a profound and nuanced knowledge of the social context and cultural channels: educational institutions, newspapers, the book trade in which intellectual debate occurred. Lamonde argues that while these ideas concerned politics, they went beyond the political; they were a fundamental and everyday element of civic society that was expressed in the public sphere through pamphlets, the popular press, and sermons. Lamonde's scrutiny of public opinion in Quebec allows him to place such currents of thought in the colony's international context: that of France, England, Rome, the United States, and their respective metropolises. *The Social History of Ideas in Quebec 1760 1896* covers a volatile time in the province's history from the end of the French Regime through the American invasion, the War of 1812, and the Rebellions in Lower Canada, capturing the cultural ascension of a society and the foundations of Quebec identity. [Sessional Papers ... Legislature of the Province of Quebec ...](#) Québec (Province). Legislature, 1919. *Comparing Quebec and Ontario* Rodney Haddow, 2015-01-01 In *Comparing Quebec and Ontario* Rodney Haddow analyses how budgeting, economic development, social assistance, and child care policies differ between the two provinces. The cause of the differences, he argues, are underlying differences between their political and economic institutions. **Terminology** Maria Teresa Cabré, 1999 Beginning with an overview of terminology, this work goes on to discuss the interdisciplinary nature of the field, the foundations of terminology, terminography, computerized terminology, terminology and standardization, and the role of terminologists in a language service. *The Goodyear News* Goodyear Tire & Rubber Company of Canada, 1927
