Weeks earlier when her eyes had met the cat's spooky yellow stare, MaryAnn had known something out of the ordinary was going to happen but she never expected death. The deceased Mr. Carlson soon appears to MaryAnn in a dream insisting she find his murderer and she reluctantly agrees. Pseudoscience Terence Hines, 2025-03-18 This book provides a comprehensive review of numerous areas of pseudoscience and related pathological science. It not only describes the factual bases for rejecting pseudoscientific claims but also emphasizes the psychological processes that lead to the acceptance of such claims. This book is timely given the increase in misinformation over the past decade. Using three principles of cognitive psychology, this book helps explain why people are hard-wired to accept and continue to believe in pseudoscientific claims. It provides up-to-date discussions of numerous paranormal and pseudoscientific topics including the usual suspects: UFOs and alien abductions, astrology, cryptozoology, and more, but also belief in conspiracy theories, laboratory parapsychology, bogus forensic science techniques, the pseudopsychologies of Freud, medical fraud, and the unethical practices of Big Pharma. Older research that was foundational in the critical examination of several topics is woven throughout to situate them in a historical context. **Lights Above**

Cass Marilyn Brokaw Hall, 2020-01-06 Lucia, a self-aware Quantum computer recovered from the Roswell crash, was brought to a secret base. Time on Earth and the completion of her mission will soon collide. She awaits the final codes to return home. While investigating alien abductions, the CIA uncovers some of America's ugliest social injustices. Several women return, some meet their fate, other ways. Rose, a minister's daughter, Jacqueline, a gay schoolteacher, Eve, a deaf mute farm girl, Molly, a college student living on the edge, and Rita, an Army nurse, are missing. To some, this book may read as a parable; to others, a premonition. Audiovisual Materials Library of Congress, 1980 **Video Source Book** Gale Group, 1999-10-28 A guide to
