Now A Word From Our Creator:

And Now, a Word from Our Creator: Russ Holloman Ph.D.,2011-10-12 God wants His children to live righteous holy lives and gave us moral laws to protect us from what is sinful injurious and corrupting Included in Gods moral laws are rules to guide both our thinking and our behavior What is right He commanded what is wrong He prohibited Sixty five of Gods rulesboth commandments and prohibitionsare discussed as being both rational and logicalboth theologically and psychologically sound All of them are intended to help us live in ways that permit God to see Himself in us *And Now for a Word from Our Creator* Paul Hay,2011 **Christopraxis** Andrew Root,2014 Finding practical theology not always able to present frameworks for understanding concrete and lived experience with divine action Andrew Root s Christopraxis seeks to reset the edifice of practical theology on a new foundation While not minimizing its commitment to the lived and concrete Root argues that practical theology has neglected deeper theological underpinnings Root seeks to create a practical theology that is properly and fully theological post postmodern post Aristotelian and that attends to doctrines such as divine action and justification **Parker on the Iroquois** Arthur C. Parker,1981-11-01 A definitive ethnological study of the Iroquois subsistence religious traditions laws and customs **Race and New Religious Movements in the USA** Emily Suzanne Clark,Brad Stoddard,2019-08-08 Organized in chronological order of the founding of each movement this documentary reader brings to life new religious movements from the 18th century to the present It provides students with the tools to understand questions of race religion and American religious history Movements covered include the Church of Jesus Christ of Latter day Saints Mormonism the Native American Church the Moorish Science Temple the Nation of Islam and more The voices included come from both men and women Each chapter focuses on a different new religious movement and features an introduction to the movement including the context of its founding two to four primary source documents about or from the movement suggestions for further reading **Now Is the Time** Davis Holt,2021-06-23 Now Is the Time Returning to Your First Love is a beautiful love story between the Creator and creation Creation chose creation breaking the Creator s heart causing separation loss and death But the Creator fights for the love of His life setting off a chain of events to occur until the Creator and creation are reunited in the place where it all began Through the use of story experience knowledge and scripture we can follow the author as he demonstrates how much love the Creator has for His creation through the giving of Himself His Son and the Holy Spirit for restoration of creation God is love love is God and giving of one s self makes love beautiful for the world to experience and see 53 *Jesus, the Christ* Brennan R. Hill,2014-02-25 Christology that is the study of Jesus is a many faceted subject In this new edition of *Jesus the Christ* Brennan Hill clearly and cogently explores this critical theological area resulting in a luminous and reliable portrait of the Jesus of history and the Christ of faith He deftly surveys both the breadth of information covered in the previous edition as well as the wealth of developments that have occurred in the field since the early 1990s *Jesus the Christ* looks at the people and places in Jesus time then moves to a

search for the historical Jesus Hill next looks at the many areas of Jesus life and mission teacher prophet miracle worker man of the earth advocate for women savior and liberator He examines the main gospel stories about Jesus birth death and resurrection and illustrates how the early christological doctrines developed This new edition is written in a more informal and accessible style enabling students to well understand and grasp the concepts and facts about the subject Each chapter ends with discussion questions and a list of suggestions for further reading Jesus the Christ is eminently readable constantly challenging and filled with timely information in nontechnical language It is strongly rooted in the best of modern biblical translation and will be welcomed by students teachers and the general reader alike

Bulletin of the New York State Museum ,1913 **Life:Is It Now? Is It Then? Is It to Come?** Hervé Dorival,2010-11-10 There is no available information at this time **The Quest For Truth** Michael Dedivonai,2012-08 This book is for the reader who takes interest in an age old issue that remains contemporary with every succeeding generation When how and why we are here are questions that have caused countless generations of thinkers and laymen alike to intuitively seek at the very least the semblance of an answer to questions that have become more of an outlook than a science and in turn spring up among the problems of modern life as opposed to allowing for a resolution to that which was intended to clarify instead of further complicate Free from the shackles and bias imposed by the various schools of religious scientific and philosophical thought the examinations offered herein are rooted in systematic analyses of the scientific philosophical ethical social and finally the religious which in turn allows for the explanation and justification of concepts that enable the reader to adopt a perspective relevant to the distinctions of absolute truth and relativistic assumptions Our age is accurately referred to as the age of advancement and technology and for good reason The rapid pace of progression over the last century in the life sciences has contributed to a broadened understanding of knowledge itself and its relation to the psychological and sociological aspects of our existence As a result of the significant expansion of the sciences the desire for an understanding of self and simply of why has in many ways been diluted thus negating the never ending questions that once tugged at man s conscious in the middle of the night for thousands of years Today s amazing achievements have laid the foundation for a whole series of newer problems and questions that threaten mankind as never before The medical and biological sciences have enabled us to have a life expectancy beyond that of prior generations however coupled with that are the problems of population explosion which in the not too distant future will give rise to serious concerns We have the ability to harness the power of the atom yet along with it comes the ability to destroy all that we hold sacred Taking into consideration the advanced age we live in how does one account for the remarkable complexity extant throughout the known universe Is one to assume that our consciousness coupled with our overwhelming sense of purpose can be attributed solely to random chance alone The law of causation deals with the need for a preceding event leading to the outcome and despite the fact that this scientific age has left its handprint on every facet of life today it has failed to satisfy the innate question of simply why

The Writings of Tertullian -

Volume II Tertullian,2017-10-24 This second volume in a four book series of the writings of Tertullian focuses on the teachings of a heretic named Marcion This work mainly shows the error of Marcion s theology and the gnostic basis of the teaching Although we no longer have many of the original teachings of the first and second century Gnostics we are able to use works like this to try and piece them together Tertullian was adamant in showing the error of the Gnostic way of using the Bible and adequately shows the heresy that lies within the fabric of Gnostic thought that made it so dangerous

Alchemy Paul Selig,2020-08-18 Renowned channeler Paul Selig shares the wisdom of The Guides The gift of the times you sit in humanity at a crossroads is the gift of the unknown the unseen the unprepared for How can I prepare for a future when all I have trusted and believed in seems to be falling away You say yes to the uncertain moment You agree that the path before you will be lit as you walk it and not a moment before In *Alchemy A Channeled Text* The Guides offer us a way to engage the transformational process of moving beyond a limited interpretation of the self and into a place of true manifestation As humanity stands at a crossroads the voices of The Guides offer insight and a path forward Paul Selig the author of *Beyond the Known Realization* is one of the foremost spiritual channels in the world *Alchemy* is composed of the pure unedited words of The Guides as they have been channeled through Paul Their message is poignant and beautifully written humming with wisdom and insight for all who are ready and willing to receive their words
