Nemerov, 2023-01-18 Widely considered to be among his best works *War Stories* is a collection of poems detailing Nemerov s observations and personal experiences of the Second World War From the grand sweeping reflections of *The War in the Heavens* to the haunting verses of *The War in the Streets* this anthology is as pertinent now as it was when it was first published A superb book for those with an interest in World War II or those who want to see a different side to this usually satirical poet Howard Nemerov 1920 1991 was an American novelist and poet who won the Pulitzer Prize in 1978 His novels are characterised by the use of self deprecating wit and an ongoing sense of irony While his books tended to satirise 20th Century American life his poems often focussed on the beauty and innocence of nature In addition Nemerov also worked as a scriptwriter most notably on the film *Tall Story* starring Anthony Perkins and Jane Fonda *It Was Long Ago It Was*

*Yesterday* Felicia Altman Gilbert,2011-11-07 none      **Long Ago God Spoke** William Lee Holladay,1995 How can we get beyond perceived barriers and find in the Old Testament the speech of God for today What do we do with the battles the worldview the wonders and wrath of God Holladay offers clear guidance for these and a host of other questions and topics in this most useful book which functions as an innovative introduction to the Old Testament and its theology      **Dreams of Long Ago and Memories So True** Rose Della Trujillo,2010-10 DREAMS OF LONG AGO AND MEMORIES SO TRUE is a consolidation of my mother s poems songs and short stories I have attempted to introduce each by writing about the circumstances surrounding it and how each came into existence and by adding an exhibit to illustrate the idea of each The illustrations and snapshots are mine There are two exceptions The Northern Lights picture was taken by a news station and is so noted and the picture of the vintage roses used for the cover of this book and which is used courtesy of VintageHolidayCrafts com The reason this certain illustration was chosen for a book cover is because my mother s first name is Rose the book cover illustration has roses her favorite color is pink thus the pink roses This book began to take shape when I was searching for some now forgotten item in my mother s desk Instead I found a notebook of poems dated and dating back to about the year 1950 and written in pencil I started to read and when I finished I thought it would be a good idea to have a book published with these poems My mother is now ninety four years young There is no time to waste I want her to see this book with her work before she goes to live with God She herself wrote a short biography which is in the book and which indicated that she would like to be able to know that her grandchildren would be reading her poems songs and short stories when she is no longer here After the consolidation was completed I read the book from beginning to end and found that not only poems songs and short stories are in this book but also the lives of her and her family There are happy times and sad times and there are tragedies But through all that that has happened the family is doing well I think the reader will be able to relate to the events in this book since it is an everyday American way of life The poems are in chronological order Each has it s own introduction as do the songs and short stories Each also has a light hearted illustration made up of pictures taken from the family album or illustrated by the daughter      **Now and then; The lily and the bee; The intellectual and moral development of the present age** Samuel Warren,1854      *Works of Samuel Warren: Now and then. The lily and the bee. The intellectual and moral development of the present age* Samuel Warren,1854      *Long Ago and Far Away* Robert K. Griffith Jr.,2022-07-01 Long Ago and Far Away Remembering Vietnam Fifty Years On By Robert K Griffith Jr Fifty years after the end of U S ground combat in Vietnam Robert K Griffith Jr takes a fresh look at his experiences there as a green armored cavalry officer at the height of the fighting in 1968 69 Like others he endured the shock and horror of battle as well as its privations and boredom He also learned the absurdities humor and ironies of war as they played out on young men thrown together and trying to survive under seemingly impossible circumstances After the war Griffith a trained historian gradually came to see the war as a misbegotten tragedy for America and especially for those who fought there Ultimately he felt

**Buddy Remembers - Then and Now** Joseph N. Muzio, 2009-02-24 This book is a memoir the description of my parents lives based on my remembrances conversations with relatives reviews of family photographs as well as examining remaining personal documents of our family This memoir started as a brief description and was something I had planned for a long time Initially I thought it would be perhaps a few dozen pages Instead it grew organically and became a much more detailed recollection of my mother and father's lives their marriage their approaches to life how they raised my sister and me and their continuing influence upon me They came to America as immigrant children they developed here within their cultural boundaries as Italian Americans they struggled thrived and pursued their personal goals They are still with me today It has been simultaneously an exhilarating and exhausting process as the writing expanded This is far beyond any sort of genealogical charting or the identification of distant relatives Rather it provides perceptions about my feelings and beliefs regarding my parents their positive qualities and flaws as well as how I perceive them now that I am an older adult This process is one that I urge other children to engage in writing about their parents so that there will be descriptions of the roles they played I call such writing a critical component of the collective humanity tracing the historical journeys that would then be available to the remaining family members and their ancestors Conceivably such continued writings could become an endless documentation of family behaviors and interactions It might even provide a
