

A vintage, sepia-toned photograph of Joseph Heller. He is wearing a dark flight helmet with goggles resting on his forehead. He is looking down intently at a typewriter in front of him. His hands are positioned over the keyboard. The background is dark and out of focus, suggesting an indoor setting. The overall tone is historical and focused.

## **Now And Then A Memoir From Coney Island To Here:**

**Now and Then** Joseph Heller, 2010-10-06 The demented Army Air Force of Catch 22 the lethal business world of Something Happened the dysfunctional family of Good as Gold all these we have assumed had their roots in Joseph Heller's own past Now more than thirty five years after the explosion of Catch 22 into the world's consciousness Heller gives us his life Here is his Coney Island childhood down the block from the world's most famous amusement park It was the height of the Depression it was a fatherless family yet little Joey Heller had a terrific time on the boardwalk in the ocean dangerously out of his depth playing follow the leader in and out of local bars even in school Then a series of jobs from delivering telegrams on his first bike to working in a navy yard until Pearl Harbor the air force Italy And after the war college undreamed of before the G I Bill teaching Madison Avenue marriage and always writing And finally the spectacular success of Catch 22 launching one of the great literary careers The strengths of Now and Then lie in the energy humor and mischief that have characterized all of Heller's work along with the dark undertones that lie beneath them He brings back a Coney Island that is not only a symbol of fun and fantasy around the world but a vision of what seems today to have been a golden age of carefree innocence For the first time he writes about the people and the events both tragic and hilarious he was eventually to translate in Catch 22 into such memorable characters as Hungry Joe Orr Major de Coverley Natel's whore and of course Yossarian and such moving and frightening scenes as the death of Snowden Now and Then is both an account of a remarkable life and a glimpse into the creative process of a major American writer

**Blasted with Antiquity** David Ellis,2023-05-25 Given the increasing number of old people the proliferation of books about old age is hardly surprising Most of these come from cultural historians or social scientists and when those with a literary background have tackled the subject they have largely done so through what are known as period studies In Blasted with Antiquity David Ellis provides an alternative Skipping nimbly from Cicero to Shakespeare and from Wordsworth to Dickens and beyond he discusses various aspects of old age with the help of writers across European history who have usually been regarded as worth listening to Eschewing extended literary analyses Ellis addresses retirement physical decay sex in old age the importance of family legacy wills and nostalgia as well of course as dying itself While remaining alert to current trends his approach is consciously that of the old way of teaching English rather than the new Whether blasted with antiquity like Falstaff in Henry IV Part Two or with the shining morning face of an unwilling student his accessible and witty style will appeal to young and old alike

**Yossarian Slept Here** Erica Heller,2011-08-23  
THROUGHOUT ERICA HELLER S LIFE when people learned that Joseph Heller was her father they often remarked How terrific But was there a catch Like his most famous work her father was a study in contradictions eccentric brilliant and voracious but also mercurial competitive and stubborn with a love of mischief that sometimes cut too close to the bone Being raised by such a larger than life personality could be claustrophobic even at the sprawling Upper West Side apartments of the Aphthorp which the Hellers called home in one way or another for forty five years Yossarian Slept Here is Erica Heller s wickedly funny but also poignant and incisive memoir about growing up in a family her iconic father her wry beautiful mother Shirley her younger brother Ted her relentlessly inventive grandmother Dottie that could be by turns caring infuriating and exasperating though anything but dull From the forbidden pleasures of ordering shrimp cocktail when it was beyond the

family's budget to spending a summer as her father's fame grew at the Beverly Hills Hotel Erica details the Hellers charmed and charmingly turbulent trajectory She offers a rare glimpse of meetings with the Gourmet Club where her father would dine weekly with Mel Brooks Zero Mostel and Mario Puzo among others and from which all wives and children were strictly verboten She introduces us to many extraordinary residents of the Apthorp some famous George Balanchine Sidney Poitier and Lena Horne to name a few and some not famous but all quite memorable Yet she also manages to limn the complex bonds of loyalty and guilt hurt and healing that define every family Erica was among those present at her father's bedside as he struggled to recover from Guillain Barré syndrome and then cared for her mother when Shirley was diagnosed with terminal cancer after the thirty eight year marriage and intensely passionate partnership with Joe had ended Witty and perceptive and displaying the descriptive gifts of a born storyteller this authentic and colorful portrait of life in the Heller household unfolds alongside the saga of the family's moves into four distinctive apartments within the Apthorp each representing a different phase of their lives together and apart It is a story about achieving a dream about fame and its aftermath about lasting love squandered opportunities and how to have the best meal in Chinatown
