Audiovisual Guide to the Catalog of the Food and Nutrition Information and Educational Materials Center Food and Nutrition Information Center (U.S.),1977 Audiovisual Guide to the Catalog of the Food and Nutrition Information and Educational Materials Center ,1975 Memorandum Quah Sy Ren,Hee Wai Siam,2020-03-15 Featuring new translations of previously untranslated Chinese short stories Memorandum maps out seven decades of Sinophone Singaporean Literature From bargirls to student activists from trishaw men to tea merchants this collection provides a glimpse into a world that has been previously invisible to Anglophone readers Paired with critical essays these stories showcase the richness and diversity

of Singapore's Chinese community but also its inherent interconnectedness with other cultures within Singapore

Memorandum is a pathbreaking anthology that refracts over half a century of Singapore's history through its lens. The translated stories do much more than simply bridge Sinophone and Anglophone worlds; they actively cross geographical, cultural, linguistic, and class boundaries, causing us to think more deeply about the nature of social power and the transformative interventions literary texts can make.

An American Sojourn John Hicks, 2011-04-27

Operation Wide Receiver Mike Detty, 2015-04-21

The true and shocking story of an undercover smuggling operation. Conducted under the umbrella of Project Gunrunner and intended to stem the flow of firearms to Mexico, the Bureau of Alcohol Tobacco Firearms and Explosives (ATF) ran a series of gun walking sting operations, including Operation Wide Receiver and Operation Fast Furious. The government allowed licensed gun dealers to sell weapons to illegal straw buyers so that they could continue to track the firearms as they were transferred to higher level traffickers and key figures in Mexican cartels. Motivated by a sense of patriotic duty, Tucson gun dealer and author Mike Detty alerted the local ATF office when he was first approached by suspected cartel associates. Detty made the commitment and assumed the risks involved to help the feds make their case, often selling guns to these thugs from his home in the dead of night. Originally informed that the investigation would last just weeks, Detty's undercover involvement in Operation Wide Receiver, the precursor to Operation Fast Furious, by far the largest gun walking probe, stretched on for an astonishing and dangerous three years. Though the case took several twists and turns, perhaps the cruelest turn was his betrayal by the very agency he risked everything to help.

Dave Evan Woods,Catherine Gervais,2010-06 The year is 1972 the age of hippies screaming for peace sweeps the land Long haired boys and young girls wearing mini skirts and having painted flowers on their faces were trying to find themselves by way of drugs or the new morality The news reported on protests at campuses across the country where peace was fought for over violent clashes with police even as the Vietnam War raged But a shy seventeen year old boy in the Deep South is fascinated by a different movement spreading throughout the land They called themselves Jesus People and were speaking of a personal relationship with the Lord as though one could converse with Him as with a close friend He hungered and searched for a deeper walk something that went beyond the borders of mere religiosity His search for God eventually led him to a group that met weekly in the nearby town of Biloxi and was simply called the Farm So enthralled with the apparent sincerity of these folks he left the traditional church he had been raised in and encouraged his family to do the same Thinking that he d finally found the answer to the loneliness and disappointments of his life he was drawn toward the teachings of these Believers But slowly that idyllic dream began to turn into a horrifying nightmare The heavy burdensome teachings formed chains of bondage around his spirit which seemed impossible to escape However the Lord is true to His Word and reveals Himself to all who seek after Him The help from heaven came to this boy through unexpected sources people whom he had been taught to think of as unenlightened But Jesus often uses the simple to confound the wise creating a humble heart within us and enabling us to see the truth
