Edge,1999-01-01 In this revised edition Findley B Edge explains that many Sunday school teachers fail to achieve better results because their teaching aims are too general and often vague The solution he says is for the teacher to focus on a single objective for each lesson and work toward that aim with singleness of purpose *The Mission of God* Christopher J. H. Wright,2025-10-21 Tackle Key Questions from the Past Two Decades in this Fully Updated Edition Engage with the latest scholarship on the biblical theology of mission and missional hermeneutics with Christopher J H Wright s classic text now fully revised and updated Most Christians would agree that the Bible provides a basis for mission But Christopher Wright boldly maintains that there is a missional basis for the Bible itself The entire Bible is generated by and is all about God s mission In order to understand the Scriptures we need a missional hermeneutic an interpretive perspective in sync with the beating heart of its great mission Wright gives us a new hermeneutical perspective on Scripture through an understanding of Who God is What he has called his people to be and do How the nations fit into God s mission In this revised edition of *The Mission of God* Wright extends his classic discussion to consider the ways that the conversation on missional hermeneutics has developed since its original publication With fully updated citations and additional chapters focused on gospel centered holistic mission and on the issue of election and supersessionism this new edition addresses the questions criticisms and insights that have emerged during the intervening two decades God s mission is to reclaim the world and God s people have a designated role to play Whether you re a pastor scholar or student *The Mission of God* will benefit your understanding of how the Bible shapes the story and purpose of God s people *What in the World is God Doing?* C. Lutzer,2015-07-24 Can you trust the Bible Many answer this question with a staunch No Critics increasingly attempt to poke holes in the authority of Scripture and deflate faith among believers But ask Dr Erwin Lutzer if you can trust the Bible and he ll give a resounding Yes In this revised and expanded edition of the popular book *7 Reasons Why You Can Trust the Bible* Dr Lutzer offers seven foundational arguments for the reliability of Scripture In clear easy to follow language he explores The Bible s claims about itself The historical reliability of the Bible The prophetic predictions of the Bible The claims of Christ concerning Scripture The harmony between science and the Bible The providence of God in preserving Scripture The power of the Bible to change lives In the court of truth the Holy Spirit testifies to the authority of Scripture and all the evidence lines up Read *7 Reasons* and let your

God's Breaking Through Process Rev. Jay Werman, 2023-04-20 This book covers everything related to the process used by God to renew us A process unknown to many but very necessary for all those who desire to serve God A comprehensive analysis of the transformation that is the result of the renewing of our minds which Paul explained in Romans 12:2 Ephesians 4:23-24 Colossians 3:8-10 A solid understanding of the process God uses to produce visible results in our lives I am convinced that when you finish studying this biblical material you will have a clearer picture of how God transforms men God's breaking through process will prepare you to do God's will in your life No believer will be able to reach the level of spiritual maturity unless that person is transformed by God regardless of the title or position he/she has within a congregation It is a personal decision that every believer must make if he or she really wants God to manifest Himself as the Scriptures say God will not force anyone to surrender completely to Him or to His will that is something that each individual must choose If we want the recognition of men let us continue with the routine and religious life we have today but if we truly desire to see the glory of God then we must be processed or transformed by God
