Questions contributors address include: What is the gospel? What is the context for understanding the New Testament teaching about the gospel? What are the primary biblical texts that you believe express the gospel and how do you understand them? What are people called to do with the gospel and what are the benefits promised by the gospel? How can the definition and proclamation of the gospel be contextualized and made relevant today? What example of an inadequate gospel and a false gospel can you offer? What does it mean to live a life worthy of the gospel? The CounterPoints format provides a unique opportunity for each contributor to set forth their own understanding of the gospel, to interact with competing perspectives, and for the editors to sum up points of agreement and disagreement and a path forward in the debate. Positions and Contributors include: The Reformation Gospel: Michael Horton; The King Jesus Gospel: Scot McKnight; The Wesleyan Gospel: David A. deSilva; The Pentecostal Gospel: Julie C. Ma; A Liberation Theology Gospel: Shively T. J. Smith. **Spiritual and Religious** N. T. Wright,2025-04-29 I m spiritual but not religious It s a phrase that s often used to explain why people still feel that life must have some kind of transcendent meaning even if they don t go to church But what does this spirituality consist of In Spiritual and Religious N T Wright argues that whether people realize it or not they are often simply reverting to forms of ancient paganism that are very similar to those that confronted the earliest Christians With his characteristic verve and incisiveness Wright traces the parallels between the worldviews of the first and twenty first centuries and shows how a better understanding of God as Trinity can breathe fresh life into our understanding and preaching of the gospel today He concludes this prophetic book with a call to contemporary Christians to make a clear choice Are we to compromise with paganism to assimilate to water down the distinctives of Christian faith in order to make it more palatable Are we to retreat into dualism into a private spiritual religion which will assure us of an other worldly salvation but which will leave the powers of the present world unchallenged Or are we to worship the God who is Father Son and Spirit and to find in that worship a renewed courage a renewed sense of direction and a renewed hope for the future

**Into the Heart of Romans** N. T. Wright,2023-10-17 An in depth study of Romans from today s foremost interpreter of Paul Romans is often and for good reason considered a crux of Christian thought and theology the greatest of Paul s letters And within Romans chapter 8 is one of the most spectacular pieces of early Christian writing But to many readers Romans can be a deceptively difficult book Its scope and basic meaning may be clear but it can be hard to see how it all fits together into a cohesive if complex doctrinal argument N T Wright widely regarded as the most influential commentator and interpreter of Paul deftly unpacks this dense and sometimes elusive letter detailing Paul s arguments and showing how it illuminates the Gospel from the promises to Abraham through the visions of Revelation Wright takes a deep dive into Romans 8 showing how it illuminates so much else that God reveals in Scripture God the Father Christology and the Spirit Jesus Messiahship cross resurrection and ascension salvation redemption and adoption suffering and glory holiness and hope Into the Heart of Romans will help you become familiar with the book of Romans in a deeper way that will also deepen your understanding and appreciation of the Gospel itself *The Grace of Christ, Third Edition* Eric Roessing,2023-09-28 The

purpose of this book is to communicate as clearly as possible Paul's gospel of God in its depth from what I have learned over five decades of studying Paul's letters and theology. But regardless of how much I have gained from teachers past and present, the bottom line is that the things freely given us by God in Paul's gospel can only be known by the Spirit of God through comparing Paul's Spirit-taught words with Spirit-taught words. 1 Cor 2:12-13. Luther's grasp of how justification in Christ and thus faith in Christ is central is verified by what Paul says in Rom 1:16-17 that in the gospel God's saving righteousness is revealed from Christ's faith to our faith. The message of this book can be summed up as follows: The life of the person in Christ is to be one of trust in Christ for righteousness before God and through that faith, obedience to Christ as Lord. This life is possible because Christ-believers have died with Christ to the lordship of the Sin and the law and are alive to God in Christ. Jesus owned by him as Lord, being one spirit with him.

Follow the Healer Stephen Seamands, 2023-09-05

Follow the Healer provides those in ministry with a practical theology of healing, helping you understand how Jesus heals and why we still need to participate. It's easy to fall into one of two extremes when it comes to Christian healing: outright skepticism on one side and abuse on the other. Many of us have a lot of good and difficult questions: What is Christian healing ministry supposed to look like? How do we go about it? What forms and expressions should it take and how do we evaluate it? How do we determine whether the healing ministry we are involved in is in keeping with what Jesus intended? Starting from the assumption that Jesus does heal in our day and age, Follow the Healer seeks to answer these questions with a balanced pastoral and scriptural approach. This is a call to help you better understand and minister God's healing to a world that is in so much pain. You'll take a closer look at why Christian healing is still relevant and essential today and how to avoid the many difficulties, disappointments, and distortions that occur in healing ministry. Stephen Seamands draws upon over three decades of teaching theology and active involvement in healing ministry to help you grasp the why to of healing that comes before the how to. This holistic Wesleyan approach to healing will help traditional evangelicals more readily embrace healing ministry and lead Pentecostals and charismatics already engaged in this ministry to move toward a more discerning approach to healing.
